

## 3 MEMBERS OF LITTLESTOWN FAMILY DIE IN VIRGINIA CRASH

The "unknown" child fatally injured in the Virginia accident was identified this afternoon by Littlestown Police Chief Charles R. Everhart Jr. as Robert Clark Bedwell, son of Mr. and Mrs. Robert Bedwell, Silver Run, Md. The nine-year-old boy had been visiting relatives in Virginia and Mr. and Mrs. Sutphin had stopped there to bring him back to Silver Run. Up to press time the child's father, a cement finisher at a Baltimore dry dock could not be reached to be notified of the death. Besides his parents, the child is survived by two sisters and a brother.

Three members of a Littlestown R. 1 family of six were fatally injured, as was a youth believed to have been a relative or neighbor, when their car crashed into a Virginia State Highway truck near Harrisonburg, Va., Monday afternoon.

Harold E. Sutphin, 44, office manager at an Emmitsburg shoe company, and Ruby McQueen Sutphin, 44, his wife, an office employee, at the Carroll Rubber Co., Taneytown, were both killed instantly in the accident, according to reports from Harrisonburg. The family had resided for the last six years near Hoffman's Orphanage.

Fatally injured in the accident were their six-year-old son, Wallace W. Sutphin, who would have been seven in September, and a 14-year-old youth who was known to relatives only as "Bobby." The two children died enroute to a hospital.

Plan Triple Funeral  
Three other children of Mr. and Mrs. Sutphin, Harold Jr., aged 19; Yvonne, 17, and Joseph I., 11, were at the family home near Hoffman's Orphanage but left this morning to join relatives at Elizabethton, Tenn., where the triple funeral services will be held.

Mrs. Sutphin had begun a vacation by going to visit her relatives in Elizabethton about ten days ago. Harold Sutphin Jr. drove his mother there and then returned.

Last Thursday, Mr. Sutphin and their son, Wallace, went to Elizabethton to join Mrs. Sutphin. The three members of the family planned to return Monday.

Skidded Into Truck  
Virginia State Police reported the Sutphins were headed north about four miles from Harrisonburg, when their car apparently skidded on a wet highway and smashed into the highway truck driven by Leon A. Eitel, 19, of Mt. Jackson, R. 1, Va. Eitel suffered head lacerations.

Wilbur A. Bankert, of the Littlestown State Bank, who was notified of the death, went to Harrisonburg Monday night after first notifying the children who had remained at home.

The bodies of Mr. and Mrs. Sutphin and their youngest son were released to the Lindsey Funeral Home, Harrisonburg, and then to (Continued on Page 3)

## FILES ANSWER IN LOCAL ACTION

John H. Weber, R. 2, filed an answer to the assumpsit action against him, Monday, stating that the gas heater sold to him by the Atlantic States Gas Co., of Burnham, "has never worked properly."

Weber filed his reply with the county prothonotary in answer to the suit which the gas company filed against him for non-payment of some gas-heating equipment which was ordered by Weber and installed in 1951.

Weber claimed that the heater has required continual readjustment, that the company has admitted it "approximately a dozen times," but that "nevertheless the heater has never at any time worked properly or fulfilled the purpose for which it was purchased."

He denied that he had bought the heater to heat only one room, which the company claims, but to heat his "entire first floor," and that "the company's authorized agent had expressly represented this heater as so doing."

In a previous statement, filed last month, Weber claimed that the heater was "inferior and defective, burned gas excessively, and made crackling and explosive noises."

## LOSES CAMERA

R. F. La Cour, of New Milford, N. J., lost an 8 mm. magazine Kodak camera near the Pickett's Charge site some time Monday afternoon. The finder is requested to notify Mrs. Carl Schmitt, Edgewood Court.

## 10,236 Visitors In Town Over Weekend

Visitations over the week end in Gettysburg according to the report from the National Park Office were as follows: Saturday 4,602 persons came here in private cars and 161 in four buses, making a total of 4,653.

On Sunday 5,644 people came in private cars and 39 came in a bus. The total for the day was 5,583. Grand total for the week end is 10,236.

## BIGGEST CATTLE SHOW IN FAIR HISTORY COMING

One hundred thirty head of cattle, the largest such display in South Mountain Fair history, are scheduled for exhibition at the fair next week, W. Clayton Jester, executive director for the fair, announced today.

To take care of the animals, the fair association is placing a large tent, for the permanent facilities at the fairgrounds could not hold more than about one-third that number.

Jester said the exhibit will "be the equal of much larger county fairs." All dairy breeds common to the county will be represented in the display. The animals are all from Adams and surrounding counties.

Entertainment Acts  
Jester also reported that Entertainment Chairman M. LeRoy Ziegler has arranged for the appearance of The Three Fearless Stars twice each day during fair week to present a free highway act at the fairgrounds. The three will give performances each afternoon and evening.

A special feature of the fair will be a Civil Defense exhibit arranged by Harry Pasick of York Springs at the direction of the county Civil Defense Director William G. Weaver. The display will include pictures and posters, exhibit of some of the Civil Defense equipment in the county, and demonstrations of some Civil Defense activities as carried out by civilians.

Special entertainment at the fair will include the Billy Williams Quartet of TV fame, next Tuesday; Sunset "Kit" Carson on Wednesday, and the "Sons of the Purple Sage," featured in Roy Rogers pictures, on Thursday and Friday.

Saturday, September 11, the state police trained horses will present an act in connection with the horse show.

## ENTER TRAINING

Shirley Ann Gilbert, daughter of Mr. and Mrs. William K. Gilbert, Hanover St., and Cherie Lott, daughter of Mr. and Mrs. Albert Lott, Baltimore St., left Monday for York to begin training as nurses at York Hospital. Both graduated from Gettysburg High School this spring.

## CHURCH WOMEN PLAN MEETING

The Gettysburg Council of Church Women will start their fall program at a meeting called by Mrs. Donald B. Trone, president, to be held at the Y.W.C.A. on Thursday at 2:30 p.m.

Other officers include: Vice President, Mrs. R. D. Wickerham; recording secretary, Mrs. Donald Sheely; treasurer, Mrs. Louise Hoffman; corresponding secretary, Mrs. H. C. Utech; publicity, Mrs. Guyon E. Buehler.

Representatives from the various local churches are: Trinity Evangelical and Reformed, Mrs. Hoffman, Mrs. Stanley Hull and Mrs. Jennings Collins; Presbyterian, Mrs. Robert Ditchburn; United Brethren, Mrs. E. F. Strausbaugh; Christ Lutheran, Mrs. Raymond Sammel, Mrs. L. S. Long, Miss Ruth Koser; St. James Lutheran, Mrs. C. C. Culp, Mrs. A. A. Maust; Brethren, Mrs. John Hostetter; Methodist, Mrs. Ralph Wickerham, Mrs. Florence Grider; Episcopal, Mrs. Trote and Mrs. Buehler; St. Paul's A.M.E. Zion, Mrs. Dorothy Adams; Young Women's Christian Association, Mrs. John S. Rice.

The Council, which is associated with state and national churchwomen of all Protestant denominations, sponsors three programs a year, World Community Day in November, World Day of Prayer in Lent and Fellowship Day in May.

## Three Cars Involved In Collision Monday

Three cars collided Monday night at 9:40 o'clock west of New Oxford, near the Old Mill Inn, on the Lincoln highway State Police reported today.

According to police, George R. Robinson, 22, York Springs, R. 2, traveling west, started to drive out into the road and was struck by a car being operated by Kenneth L. Leatherman, 39, New Oxford, R. 2. The Leatherman vehicle is then reported to have struck a parked car owned by Bruce E. Witter Jr. 19, Gettysburg, R. 4.

Damage was estimated at \$500 by police. No one was injured.

## CAPT. EISMANN LEAVES HERE TO SERVE OVERSEAS

Captain James F. Eismann, W. Confederate Ave., twice-wounded in the Korean War, a veteran of four years Army service in World War II, and assistant professor of military science and tactics at Gettysburg College for the last two years, will leave Wednesday for Fort Benning, Ga., for assignment to Europe.

The local officer, husband of Mary Moore Eismann, daughter of Mr. and Mrs. James E. Moore, E. Water St., left Gettysburg College, after completing his sophomore year there, to enter the Army as a private in June, 1942.

He served for four years, most of the time in the Pacific theater. Separated from the service in 1946, he resumed his college studies and graduated from Gettysburg College in 1948.

He was teacher and coach at Millville, N. J., High School in September, 1950, when he was recalled to duty as a member of the Army Reserve and sent to Korea.

## Was Company Commander

As a platoon leader with a unit of the Fifth Regiment, 1st Cavalry Division, he was wounded twice—the first time he was hit in the right leg by shrapnel from a Chinese hand grenade, January 29, 1951, about three months after he arrived in Korea. The second time was June 5, 1951, when, as a first lieutenant, he was attempting to knock out a Communist machine gun nest and was struck in the feet by explosion of a mortar shell and wounded in the left leg and wrist by machine gun fire at the same time.

After eight months in Korea he returned to the U. S. as a company commander with the 10th Infantry Regiment, 5th Infantry Division at Indiantown Gap. After a brief tour of duty there he was transferred to Gettysburg College's ROTC staff and was promoted to captain June 30, 1953.

Active in community affairs as well, this summer he was named an honorary member of the Gettysburg Fire Department for his services to the community.

Mrs. Eismann and their three children will accompany Captain Eismann to Fort Benning.

## BARTER BAZAAR WILL OPEN HERE ON WEDNESDAY

The Barter Bazaar, "A Market Place to Buy and Sell," will be opened at 22 Carlisle St., Wednesday, the owners and operators, Mrs. Charles W. Orem, New Oxford, and Mrs. Mark A. Eckert, 207 Springs Ave., announced today. The new store is established "to provide an outlet for the resale of items of value" they said.

Hours will be daily from 10 a.m. until 4 p.m.; Saturday from 10 a.m. to 9 p.m. The store will be closed the second Wednesday of each month.

The partners, who said the business "will be of mutual benefit to the operators as well as customers," report they are encouraged by a number of inquiries already received from prospective clients. Two of the calls came from antique dealers who made requests to place for sale several 100-year-old newspapers and a supply of ancient buttons.

Charge Commission  
Among the items the Bazaar will display for commissioned resale are: clothing, certain types of furniture, china, glassware, bric-a-brac (antique or new), and toys of all types. Articles too large for display in the Barter Bazaar (furniture, electric ice boxes, stoves, pianos, bicycles and large toys) may be advertised on a bulletin board to be placed in the show window.

All merchandise accepted will be displayed in the Bazaar for a period of eight weeks. Persons who bring the articles will establish selling prices. The firm will charge a ten percent handling fee. Upon sale of the article the owner will receive 60 percent of the selling price.

The Bazaar receives 40 percent commission on all items except china, glass, and bric-a-brac for which it will charge 25 percent commission. Checks covering payment for articles sold will be mailed to the owners during the first week of the following month.

## Doubles Tournament Play Is Dropped

Remainder of the games in the doubles portion of the Adult Tennis Tournament at Recreation Park were canceled today by Playground Manager Luther I. Sachs Jr.—"because of extended postponements and poor playing conditions."

Sachs expressed satisfaction with the entry response during the recent Recreation Association-sponsored singles play and he foresaw a larger tournament list next summer—"when tennis will have established itself here."

The newly-dedicated two-court tennis area will remain open to the public throughout September, he said.

## Observe Golden Wedding

Mr. and Mrs. William L. McGlaughlin, Fairfield R. 2, celebrated their 50th wedding anniversary, Monday, with a dinner at their home attended by approximately 50 children, grandchildren and great-grandchildren.

Mr. McGlaughlin, 71, and his wife, 67 years of age, are the parents of 11 children, still living. Eight of them attended the anniversary celebration along with 24 grandchildren and three great-grandchildren.

The children are: William Jr., York; Lester, Emmitsburg; Ralph,

## HOPES TO FORM CONGREGATION IN THIS AREA

Crawford C. Witherow, veteran of more than a dozen years of service with the U. S. Marine Corps and the Army, has returned to Gettysburg an ordained minister of the Church of Christ with the hope of establishing a congregation of that church in this area.

He is a graduate of the Midwestern School of Evangelism at Ottumwa, Ia., where he received the degree of Bachelor of Sacred Literature in May. He also had attended William Penn College at Oskaloosa, Ia.

He has been preaching for the last five years and for two of those years served a church at Mt. Auburn, Iowa.

Served In China, ETO, Alaska  
Witherow entered the U. S. Marines in 1929 after his graduation from Gettysburg High School and served for four years, with 29 months of that time spent in China. Then he joined the local unit of the National Guard and went to camp with them in 1941 and served throughout the war going to the ETO as a member of an Engineer Combat Battalion after being commissioned through OCS as a second lieutenant.

After the war he re-enlisted as a master sergeant for four years and spent three of those years in Alaska.

Now he and his wife, the former Ruth E. Spangler, and their adopted six-year-old son, Marshall David, are residing at Mrs. Spangler's former home along the Emmitsburg Rd., Gettysburg R. 2. Mr. Witherow may be reached there by mail or by telephoning 940-R-11.

## Cub Pack No. 73 Will Reorganize

Cub Pack 73 will reorganize for the coming year Friday evening at 7 o'clock at a meeting to be held at the Presbyterian Church.

All old members and those wishing to be new members, members of the committee, den mothers and den chiefs are asked by Cubmaster Jacob G. Apple to be present. Parents need not attend the meeting.

## Committee Refuses To Throw Out Charge Against McCarthy

WASHINGTON (U)—Senators conducting hearings on a censure move against Sen. McCarthy refused today to throw out one of the charges against him—an accusation based on the senator's failure to testify before a committee which investigated his financial affairs in 1952.

Edward Bennett Williams, McCarthy's attorney, moved for dismissal of this charge shortly after the special six-member Senate committee opened hearings.

Williams contended the charge was "legally insufficient," but Chairman Watkins (R-Utah) told him the committee did not agree with him.

McCarthy himself was permitted to read a statement charging that the senators seeking to censure him are "affected by ulterior, political considerations."

"Unholy Alliance"  
His statement declared also that

## COUNTY FIREMEN TO MEET MONDAY FOR CONVENTION

Firemen from throughout the county will gather Monday at McSherrystown, for the 32nd annual convention of the Adams County Firemen's Association.

Headquarters for the convention will be the McSherrystown fire company hall, but business sessions will be held at Annunciation of the Blessed Virgin Mary School at McSherrystown.

President R. Dale Guise, of Biglerville, is scheduled to call the meeting to order at 10 o'clock Monday morning. Following the singing of "America," the Rt. Rev. Mr. Patrick F. McGee, pastor of Annunciation Catholic Church, McSherrystown, and acting chaplain of the county firemen's association will give the prayer.

Memorial Service  
Burgess Joseph Staub, of McSherrystown, is scheduled to give the address of welcome to the convention delegates at the opening session.

Current business is scheduled for the morning, including the nomination of officers for the coming year. At noon the convention will adjourn until 1:15 o'clock Monday afternoon, when the annual Memorial Services will be held. This year marks the first time in the 32 years of the firemen's association history that the Memorial Services have been held in connection with the convention. Previously the service was held at a separate time. Last year, at the regular convention, the firemen decided to move the Memorial Service to the convention date as more suitable to memorialize those firemen who died during the last year.

Following election of officers and addresses by the retiring and incoming presidents, the group will take up any unfinished business. The program will conclude with what has become a traditional part of the convention, a talk by Judge W. C. Sheely who last year was named Honorary Fire Chief for the county.

The annual convention parade begins at 4:30 o'clock Monday afternoon. For the evening, the host company is planning amusements and entertainment at the park near the fire hall.

## Closing Retreat Is Held Over Weekend

The series of six retreats, sponsored by the Laymen's Retreat League of the Diocese of Harrisburg during July and August at Mount St. Mary's College, Emmitsburg, ended last weekend. 1,838 men made the retreat.

Attending the closing session were the following clergymen: New Oxford, William Grot, Richard Hocken-smith, Roy Billman, John Kaiser, Charles Miller Sr., James Moore, Robert Nye Sr., and Richard Weaver; Conowingo, Roy Funk, Bernard Horwede, Paul Lawrence, Pius Martin, James Moore and Joseph P. Smith; McSherrystown, Earl Grot, Charles F. Keffer, Robert Keffer, Jack Koval, Frank Krepps, William Krepps, William May, Gilbert McMaster, Urban Murray Jr., G. W. Orndorff, John Rider, John S. Rider, Lawrence Roth, Roy Sanders, Earl Small, Charles Small, Kiernan Small, Robert Small, Joseph Smeeringer, Paul Topper and Elmer Weaver.

At the final session Sunday night in Christ Chapel of the college, officers elected Saturday afternoon were installed by the Rev. Howard F. Reisz, director of Christian education and youth work for the synod.

The officers are: Paul McKay, Baltimore, president; Lawrence Cameron, Baltimore, first vice president; Norma Weiland, of the Western District, second vice president; Cynthia Smith, Washington, recording secretary; Sue Orison, Frederick, statistical secretary, and Norma Jean Lineberg, treasurer. The retiring president is Dorothy Meyers, Sharpsburg, R. 2, Md. Virginia Hamm, Hagerstown, was named the new member-at-large.

Workshops Held  
The speaker Friday evening was the Rev. Lawrence M. Reese, Philadelphia, who is youth work secretary of the Board of Parish Education. (Continued on Page 6)

## STAHLE WINS CLUB CONTEST

John C. "Buck" Stahle won the horseshoe tournament that has been underway for weeks in the Gettysburg Lions Club by capturing the final contest against Assistant Postmaster Arthur W. Worman. Club Secretary Ralph E. Barley was beaten by Stahle in a semi-final match Monday evening.

About 75 members and guests attended the weekly dinner meeting at Sheffer's Park Monday evening with President Elmer H. Schriver presiding.

Charles Pentz was introduced as a new member.

A meeting of the board of directors and the final horseshoe match followed the meal.

The club will not meet next Monday, Labor Day, but will convene again on September 13 at the Shetter House.

## Rotarians, Ladies Go To Allenberry

Two hundred and forty-four attended the production of the play "My Three Angels" at Allenberry Monday evening. The play was sponsored by the Gettysburg Rotary Club and replaced its regular meeting here.

Fourteen members of the Littlestown Rotary Club and their guests were also present at the show.

Profits from the production will be placed in the Charity fund of the local Rotary club.

## SPORTSMEN TO MEET

President George A. Hughes has called a special business meeting of the Gettysburg Sportsmen's Association for Wednesday evening at 8 o'clock at the club house.

## Blame Two In Army Hearing

The Associated Press reported today that the Detroit News said in a copyrighted story that the Republican majority of the seven-man group which looked into McCarthy-Stevens row has decided that both McCarthy and Secretary of the Army Robert Stevens were "at fault."

The story by Martin S. Hayden of the News Washington Bureau said the majority "straddles the question of whether McCarthy or Stevens is the more guilty."

Sen. Potter (R-Mich.), in a statement of individual views made public here, was highly critical of Roy M. Cohn, former counsel to McCarthy's Senate Investigations subcommittee. Cohn resigned his post soon after the hearings on the McCarthy-Army controversy. Potter also criticized McCarthy and Stevens.

## M-SGT. LEONARD RETIRES FROM ACTIVE DUTY

M-Sgt. Max T. Leonard, since August, 1951, Sergeant Major with the Gettysburg College Air Force ROTC Unit, retired from active duty today after 20 years service. He will become assistant to Richard Debus, business manager of Gettysburg College.

A native of Hollidaysburg, Pa., Leonard enlisted 11 the Army Air Corps in August, 1933, and served with the 35th Pursuit Squadron, Langley Field, Va., until July, 1934, when he was transferred from the Army Air Corps to the Coast Artillery Corps. He served with the 55th Coast Artillery as an Observer Sergeant in Hawaii until 1940, when he returned to the United States as Sergeant Major for the 74th CAC Regiment at Fort Monroe, Va.

In 1941, he was assigned to the 34th Coast Artillery Brigade at Norfolk, Va., as Sergeant Major of the Brigade. He served with the 34th Brigade all through World War II, including tours of duty in the European and North African theaters, as well as in Italy and Sicily. From August, 1942, until the return of the unit from overseas duty, he served as Assistant Adjutant.

## Enlists In Air Force

He was separated from the service on December 22, 1945, but returned in January, 1946 as an enlistee in the Army Air Force. First assigned to Lowry Air Force Base, Denver, Colo., Sgt. Leonard later attended the first Air Force ROTC instructor school at Perrin Air Force Base, Texas, for indoctrination relative to initiation of the Air Force ROTC plan into colleges and universities. Upon completion of Air Force ROTC school, he was assigned to the University of Wyoming as an AFROTC instructor and detachment sergeant major. In August, 1950, he was reassigned to Hq., 10th Air Force, Selfridge Air Force Base, Michigan and performed duties as Sergeant Major of the Inspector General's Section. In August, 1951, he was assigned to the Gettysburg College unit.

Sgt. Leonard will begin his duties in the college business office in the immediate future. With his wife and two daughters, he will reside at 356 York St.

## Cows Damage Golf Course Green Monday

About two dozen cows broke out of Charles Redding's pasture about 6 o'clock Monday night, wandered onto the golf course of the Gettysburg Country Club, and tore up the green on the third hole before they were rounded up.

Glenn L. Bream, past president of the club and a member of the Golf Committee, said that the green was "completely ruined." He estimated the damage at \$400 to \$500, and that it would be two to four months before the grass would grow back properly.

The tournament to decide the club championship, now in progress will be continued. It must be concluded by September 2.

A similar mishap occurred about a month ago, when a group of cows destroyed the number nine green. It has since been repaired so that play is not greatly handicapped.

## HOSPITAL REPORT

Discharges: William Murray, R. 4; Clair Jacobs, Biglerville; Mrs. Edward Sell, Taneytown; Mrs. Donald Day and infant son, Gardners; Mrs. Charles Garrett and infant daughter, Taneytown; Mrs. James Weikert and infant daughter, Fairfield; Mrs. Chester Lawrence and infant son, R. 3; Mrs. Levin Lockard and infant son, Westminster.

## GETTYSBURG'S SCHOOLS MAY NOT OPEN 'TIL SEPTEMBER 13

Public schools in the Gettysburg Jointure may not open until Monday, September 13.

Final decision on the opening date was left in the hands of Supt. L. C. Keefe and High School Principal G. W. Lefever by the jointure's board of directors at a special meeting Monday evening.

The progress made by workmen the remainder of this week will determine whether school will open as scheduled on Wednesday, September 8, or not until the following Monday.

Painting, flooring and the placing of furniture in the new library, formerly the auditorium, must be done before the building can be used, the school officials agreed.

## Junior High First

No deadline was set for the decision but announcement will be made in The Gettysburg Times and on WGCT as soon as the opening date is decided, the school officials said.

Whether schools opens the 8th or the 13th, Principal Lefever said it will be handled this way: The Junior High students will be brought in the first day and Senior Highs the next with all high school students reporting on the third day.

Elementary schools will not open until the high school is in session because all students use the same buses and the same school calendar.

## Strike Caused Delay

If the opening is delayed, one day will be made up by having school on next Easter Monday and the two other days will be added at the end of the term.

An early summer carpenter's strike that lasted two weeks contributed to the present "squeeze" for time. Painters are being delayed now because sanding of unfinished millwork in the library has not yet been done. A crew of 20 to 30 painters faces a lay-off unless they can start soon on the high school job.

Principal Lefever, who attended the board meeting Monday evening in the industrial arts room at the school, was asked by Superintendent Keefe to tell the board what plans he had made for opening the high school.

## To Be Without Auditorium

"We're going to be without an auditorium for the rest of this year and we're going to be squeezed for space, but we can manage. When school is opened we'll call in the Junior High students on the first day and the Senior Highs on the second. Then all of them on the third."

"It would be impossible to handle properly 1,050 pupils on the first day in the condition the building is in. It would be particularly unfair to the incoming Junior High pupils."

Stating that it seems impossible to operate until the library is finished, Mr. Lefever said: "I think we'd be better off by having school on next Easter Monday and adding two days at the end of the term next June than to try to have school next week if the building is not ready."

## Two-Hour Session

The meeting of the local joint district teachers, scheduled for next Tuesday, will be held as scheduled regardless of the opening date for school sessions.

Attention was called to the need for fencing and concrete work preliminary to the opening of the football season at the high school so that entrances will be usable and the field will be enclosed once more. Every effort is to be made to have that work done by the first home game September 17.

The discussion of the opening date for the schools came near the close of a two

## 3 MEMBERS OF LITTLESTOWN FAMILY DIE IN VIRGINIA CRASH

The "unknown" child fatally injured in the Virginia accident was identified this afternoon by Littlestown Police Chief Charles R. Everhart Jr. as Robert Clark Bedwell, son of Mr. and Mrs. Robert Bedwell, Silver Run, Md. The nine-year-old boy had been visiting relatives in Virginia and Mr. and Mrs. Sutphin had stopped there to bring him back to Silver Run. Up to press time the child's father, a cement finisher at a Baltimore dry dock could not be reached to be notified of the death. Besides his parents, the child is survived by two sisters and a brother.

Three members of a Littlestown R. 1 family of six were fatally injured, as was a youth believed to have been a relative or neighbor, when their car crashed into a Virginia State Highway truck near Harrisonburg, Va., Monday afternoon.

Harold E. Sutphin, 44, office manager at an Emmitsburg shoe company, and Ruby McQueen Sutphin, 44, his wife, an office employee at the Carroll Rubber Co., Taneytown, were both killed instantly in the accident, according to reports from Harrisonburg. The family had resided for the last six years near Hoffman's Orphanage.

Fatally injured in the accident were their six-year-old son, Wallace W. Sutphin, who would have been seven in September, and a 14-year-old youth who was known to relatives only as "Bobby." The two children died enroute to a hospital.

**Plan Triple Funeral**  
Three other children of Mr. and Mrs. Sutphin, Harold Jr., aged 19; Yvonne, 17, and Joseph L., 11, were at the family home near Hoffman's Orphanage but left this morning to join relatives at Elizabethton, Tenn., where the triple funeral services will be held.

Mrs. Sutphin had begun a vacation by going to visit her relatives in Elizabethton about ten days ago. Harold Sutphin Jr. drove his mother there and then returned. Last Thursday, Mr. Sutphin and their son, Wallace, went to Elizabethton to join Mrs. Sutphin. The three members of the family planned to return Monday.

**Skidded Into Truck**  
Virginia State Police reported the Sutphins were headed north about four miles from Harrisonburg, when their car apparently skidded on a wet highway and smashed into the highway truck driven by Leon A. Eitel, 19, of Mt. Jackson R. 1, Va. Eitel suffered head lacerations.

Wilbur A. Bankert, of the Littlestown State Bank, who was notified of the death, went to Harrisonburg Monday night after first notifying the children who had remained at home.

The bodies of Mr. and Mrs. Sutphin and their youngest son were released to the Lindsey Funeral Home, Harrisonburg, and then to (Continued on Page 3)

## FILES ANSWER IN LOCAL ACTION

John H. Weber, R. 3, filed an answer to the assumpsit action against him, Monday, stating that the gas heater sold to him by the Atlantic States Gas Co., of Burnham, "has never worked properly."

Weber filed his reply with the county prothonotary in answer to the suit which the gas company filed against him for non-payment of some gas-heating equipment which was ordered by Weber and installed in 1951.

Weber claimed that the heater has required continual readjustment, that the company has adjusted it "approximately a dozen times," but that "nevertheless the heater has never at any time worked properly or fulfilled the purpose for which it was purchased."

He denied that he had bought the heater to heat only one room, which the company claims, but to heat his "entire first floor," and that "the company's authorized agent had expressly represented this heater as so doing."

In a previous statement, filed last month, Weber claimed that the heater was "inferior and defective, burned gas excessively, and made cracking and explosive noises."

## 10,236 Visitors In Town Over Weekend

Visitations over the week end in Gettysburg according to the report from the National Park Office were as follows: Saturday 4,502 persons came here in private cars and 151 in four buses, making a total of 4,653.

On Sunday 5,444 people came in private cars and 39 came in a bus. The total for the day was 5,583. Grand total for the week end is 10,236.

## BIGGEST CATTLE SHOW IN FAIR HISTORY COMING

One hundred thirty head of cattle, the largest such display in South Mountain Fair history, are scheduled for exhibition at the fair next week, W. Clayton Jester, executive director for the fair, announced today.

To take care of the animals, the fair association is placing a large tent, for the permanent facilities at the fairgrounds could not hold more than about one-third that number.

Jester said the exhibit will "be the equal of much larger county fairs." All dairy breeds common to the county will be represented in the display. The animals are all from Adams and surrounding counties.

**Entertainment Acts**  
Jester also reported that Entertainment Chairman M. LeRoy Zeigler has arranged for the appearance of The Three Fearless Stars twice each day during fair week to present a free highway act at the fairgrounds. The three will give performances each afternoon and evening.

A special feature of the fair will be a Civil Defense exhibit arranged by Harry Pask of York Springs at the direction of the county Civil Defense Director William G. Weaver. The display will include pictures and posters, exhibit of some of the Civil Defense equipment in the county, and demonstrations of some Civil Defense activities as carried out by civilians.

Special entertainment at the fair will include the Billy Williams Quartet of TV fame, next Tuesday; Sunset "Kit" Carson on Wednesday, and the "Sons of the Purple Sage," featured in Roy Rogers pictures, on Thursday and Friday.

Saturday, September 11, the state police trained horses will present an act in connection with the horse show.

## ENTER TRAINING

## Three Cars Involved In Collision Monday

Three cars collided Monday night at 9:40 o'clock west of New Oxford, near the Old Mill Inn, on the Lincoln highway State Police reported today.

According to police, George R. Robinson, 22, York Springs R. 2, traveling west, started to drive into the road and was struck by a car being operated by Kenneth L. Leatherman, 39, New Oxford R. 2. The Leatherman vehicle is then reported to have struck a parked car owned by Bruce E. Witter Jr., 19, Gettysburg R. 4.

Damage was estimated at \$500 by police. No one was injured.

## CAPT. EISMANN LEAVES HERE TO SERVE OVERSEAS

Captain James P. Eismann, W. Confederate Ave., twice-wounded in the Korean War, a veteran of four years Army service in World War II, and assistant professor of military science and tactics at Gettysburg College for the last two years, will leave Wednesday for Fort Benning, Ga., for assignment to Europe.

The local officer, husband of Mary Moore Eismann, daughter of Mr. and Mrs. James E. Moore, E. Water St., left Gettysburg College, after completing his sophomore year there, to enter the Army as a private in June, 1942.

He served for four years, most of the time in the Pacific theater. Separated from the service in 1946, he resumed his college studies and graduated from Gettysburg College in 1948.

He was teacher and coach at Millville, N. J., High School in September, 1950, when he was recalled to duty as a member of the Army Reserve and sent to Korea.

**Was Company Commander**  
As a platoon leader with a unit of the Fifth Regiment, 1st Cavalry Division, he was wounded twice—the first time he was hit in the right leg by shrapnel from a Chinese hand grenade, January 29, 1951, about three months after he arrived in Korea. The second time was June 5, 1951, when, as a first lieutenant, he was attempting to knock out a Communist machine gun nest and was struck in the feet by explosion of a mortar shell and wounded in the left leg and wrist by machine gun fire at the same time.

After eight months in Korea he returned to the U. S. as a company commander with the 10th Infantry Regiment, 5th Infantry Division at Indiantown Gap. After a brief tour of duty there he was transferred to Gettysburg College's ROTC staff and was promoted to captain June 30, 1953.

Active in community affairs as well, this summer he was named an honorary member of the Gettysburg Fire Department for his services to the community. Mrs. Eismann and their three children will accompany Captain Eismann to Fort Benning.

## BARTER BAZAAR WILL OPEN HERE ON WEDNESDAY

The Barter Bazaar, "A Market Place to Buy and Sell," will be opened at 22 Carlisle St., Wednesday, the owners and operators, Mrs. Charles W. Orem, New Oxford, and Mrs. Mark A. Eckert, 207 Springs Ave., announced today. The new store is established "to provide an outlet for the resale of items of value" they said.

Hours will be daily from 10 a.m. until 4 p.m.; Saturday from 10 a.m. to 9 p.m. The store will be closed the second Wednesday of each month.

The partners, who said the business "will be of mutual benefit to the operators as well as customers," report they are encouraged by a number of inquiries already received from prospective clients. Two of the calls came from antique dealers who made requests to place for sale several 100-year-old newspapers and a supply of ancient buttons.

**Charge Commission**  
Among the items the Bazaar will display for commissioned resale are: clothing, certain types of furniture, china, glassware, bric-a-brac (antique or new), and toys of all types. Articles too large for display in the Barter Bazaar (furniture, electric ice boxes, stoves, pianos, bicycles and large toys) may be advertised on a bulletin board to be placed in the show window.

All merchandise accepted will be displayed in the Bazaar for a period of eight weeks. Persons who bring the articles will establish selling prices. The firm will charge a ten per cent handling fee. Upon sale of the article the owner will receive 60 per cent of the selling price.

The Bazaar receives 40 per cent commission on all items except china, glass, and bric-a-brac for which it will charge 25 per cent commission. Checks covering payment for articles sold will be mailed to the owners during the first week of the following month.

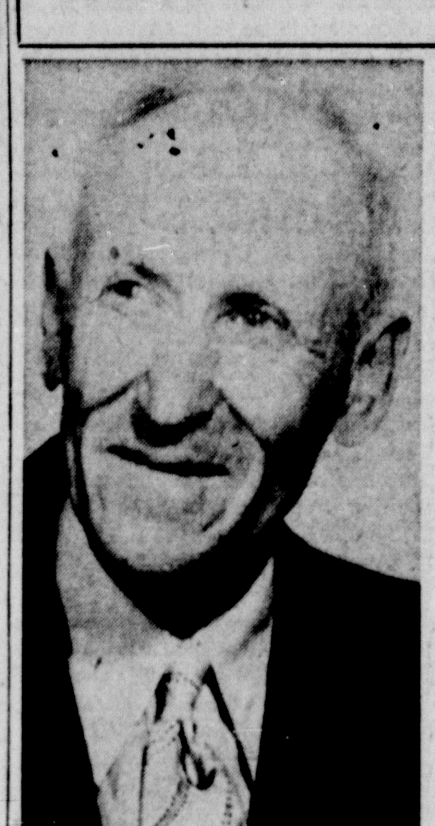

## Doubles Tournament Play Is Dropped

Remainder of the games in the doubles portion of the Adult Tennis Tournament at Recreation Park were canceled today by Playground Manager Luther I. Sachs Jr.—"because of extended postponements and poor playing conditions."

Sachs expressed satisfaction with the entry response during the recent Recreation Association-sponsored singles play and he foresaw a larger tournament list next summer—"when tennis will have established itself here."

The newly-dedicated two-court tennis area will remain open to the public throughout September, he said.

## Observe Golden Wedding

Mr. and Mrs. William L. McGlaughlin, Fairfield R. 2, celebrated their 50th wedding anniversary, Monday, with a dinner at their home attended by approximately 50 children, grandchildren and great-grandchildren.

Mr. McGlaughlin, 71, and his wife, 67 years of age, are the parents of 11 children, still living. Eight of them attended the anniversary celebration along with 24 grandchildren and three great-grandchildren.

The children are: William Jr., York; Lester, Emmitsburg; Ralph, York; George, R. 3; Roy, Fairfield, R. 2; Walter, Oakland, Calif.; Mrs. Scott Weant, Emmitsburg; Mrs. Marshall Duple, Taneytown; Mrs. Earl Adelsberger, Fairfield R. 1; Mrs. Clair Bowling, Fairfield R. 1, and Mrs. James Short, R. 3.

Walter, who with his family visited the Adams County couple earlier this year; Lester, and William Jr., were unable to attend the golden anniversary banquet.

Mr. McGlaughlin is an employee of the Daniel Yingling Pheasant Farm, Fairfield R. 2.

## HOPES TO FORM CONGREGATION IN THIS AREA

Crawford C. Witherow, veteran of more than a dozen years of service with the U. S. Marine Corps and the Army, has returned to Gettysburg an ordained minister of the Church of Christ with the hope of establishing a congregation of that church in this area.

He is a graduate of the Midwestern School of Evangelism at Ottumwa, Ia., where he received the degree of Bachelor of Sacred Literature in May. He also had attended William Penn College at Oskaloosa, Ia.

He has been preaching for the last five years and for two of those years served a church at Mt. Auburn, Iowa.

**Served In China, ETO, Alaska**  
Witherow entered the U. S. Marines in 1928 after his graduation from Gettysburg High School and served for four years, with 29 months of that time spent in China. Then he joined the local unit of the National Guard and went to camp with them in 1941 and served throughout the war going to the ETO as a member of an Engineer Combat Battalion after being commissioned through OCS as a second lieutenant.

After the war he re-enlisted as a master sergeant for four years and spent three of those years in Alaska. Now he and his wife, the former Ruth E. Spangler, and their adopted six-year-old son, Marshall David, are residing at Mrs. Spangler's former home along the Emmitsburg Rd., Gettysburg R. 2. Mr. Witherow may be reached there by mail or by telephoning 940-R-11.

## Cub Pack No. 73 Will Reorganize

Cub Pack 73 will reorganize for the coming year Friday evening at 7 o'clock at a meeting to be held at the Presbyterian Church.

All old members and those wishing to be new members, members of the committee, den mothers and den chiefs are asked by Cubmaster Jacob G. Appier to be present. Parents need not attend the meeting.

**Workshops Held**  
The speaker Friday evening was the Rev. Lawrence M. Reese, Philadelphia, who is youth work secretary of the Board of Parish Education. (Continued on Page 6)

## Committee Refuses To Throw Out Charge Against McCarthy

WASHINGTON (AP)—Senators conducting hearings on a censure move against Sen. McCarthy refused today to throw out one of the charges against him—an accusation based on the senator's failure to testify before a committee which investigated his financial affairs in 1952.

Edward Bennett Williams, McCarthy's attorney, moved for dismissal of this charge shortly after the special six-member Senate committee opened hearings.

Williams contended the charge was "legally insufficient," but Chairman Watkins (R-Utah) told him the committee did not agree with him.

McCarthy himself was permitted to read a statement charging that the senators seeking to censure him are "affected by ulterior, political considerations."

"Unholy Alliance"  
His statement declared also that

there is an "unholy alliance" in this country which argues that "vigorous anticommunism is more dangerous than communism."

Watkins let McCarthy read it, but told him "most of it is not relevant and material to the issues as we understand them."

The chairman commented too that McCarthy's statement was "unsworn and was 'not testimony.'"

McCarthy, thanking Watkins, read his statement in a firm clear voice.

Williams quickly stepped in then with the attempt to get the senators to throw out the first of the charges against McCarthy—the one immediately before the committee.

**Refused To Answer**  
In detail, this charges that McCarthy repeatedly refused to answer requests by a Senate Rules subcommittee to appear before it while it was looking into his financial affairs. (Continued On Page 3)

## COUNTY FIREMEN TO MEET MONDAY FOR CONVENTION

Firemen from throughout the county will gather Monday at McSherrystown, for the 32nd annual convention of the Adams County Firemen's Association.

Headquarters for the convention will be the McSherrystown fire company hall, but business sessions will be held at Annunciation of the Blessed Virgin Mary School at McSherrystown.

President R. Dale Guise, of Biglerville, is scheduled to call the meeting to order at 10 o'clock Monday morning. Following the singing of "America," the Rt. Rev. Mrs. Patrick F. McGee, pastor of Annunciation Catholic Church, McSherrystown, and acting chaplain of the county firemen's association will give the prayer.

**Memorial Service**  
Burgess Joseph Staub, of McSherrystown, is scheduled to give the address of welcome to the convention delegates at the opening session.

Current business is scheduled for the morning, including the nomination of officers for the coming year. At noon the convention will adjourn until 1:15 o'clock Monday afternoon, when the annual Memorial Services will be held. This year marks the first time in the 32 years of the firemen's association history that the Memorial Services have been held in connection with the convention. Previously the service was held at a separate time. Last year, at the regular convention, the firemen decided to move the Memorial Service to the convention date as more suitable to memorialize those firemen who died during the last year.

Following election of officers and addresses by the retiring and incoming presidents, the group will take up any unfinished business. The program will conclude with what has become a traditional part of the convention, a talk by Judge W. C. Sheely who last year was named Honorary Fire Chief for the county.

The annual convention parade begins at 4:30 o'clock Monday afternoon. For the evening, the host company is planning amusements and entertainment at the park near the fire hall.

## Closing Retreat Is Held Over Weekend

The series of six retreats, sponsored by the Laymen's Retreat League of the Diocese of Harrisburg during July and August at Mount St. Mary's College, Emmitsburg, ended last weekend. 1,838 men made the retreat.

Attending the closing session were the following clergymen: New Oxford, William Groft, Richard Hocken-smith, Roy Billman, John Kaiser, Charles Miller Sr., James Moore, Robert Nye Sr., and Richard Weaver; Conowingo, Roy Funk, Bernard Horwedel, Paul Lawrence, Pius Martin, James Moore and Joseph P. Smith; McSherrystown, Earl Groft, Charles F. Keffer, Robert Keffer, Jack Koval, Frank Krepps, William Krepps, William May, Gilbert McMaster, Joseph Murren Jr., G. W. Orndorff, Urban Rider, John S. Rider, Lawrence Roth, Roy Sanders, Earl Small, Charles Small, Kiernan Small, Robert Small, Joseph Sneeringer, Paul Topper and Elmer Weaver.

At the final session Sunday night in Christ Chapel of the college, officers elected Saturday afternoon were installed by the Rev. Howard F. Reisz, director of Christian education and youth work for the synod.

The officers are: Paul McKay, Baltimore, president; Lawrence Cameron, Baltimore, first vice president; Norma Weiland, of the Western District, second vice president; Cynthia Smith, Washington, recording secretary; Sue Orison, Frederick, statistical secretary, and Norma Jean Lineberg, treasurer.

The retiring president is Dorothy Meyers, Sharpsburg, R. 2, Md. Virginia Hamm, Hagerstown, was named the new member-at-large.

**Workshops Held**  
The speaker Friday evening was the Rev. Lawrence M. Reese, Philadelphia, who is youth work secretary of the Board of Parish Education. (Continued on Page 6)

## STAHLE WINS CLUB CONTEST

John C. "Buck" Stahle won the horseshoe tournament that has been underway for weeks in the Gettysburg Lions Club by capturing the final contest against Assistant Postmaster Arthur W. Warman. Club Secretary Ralph E. Barley was beaten by Stahle in a semi-final match Monday evening.

About 75 members and guests attended the weekly dinner meeting at Sheffer's Park Monday evening with President Elmer H. Schriver presiding.

Charles Pentz was introduced as a new member.

A meeting of the board of directors and the final horseshoe match followed the meal.

The club will not meet next Monday, Labor Day, but will convene again on September 13 at the Shelter House.

## Rotarians, Ladies Go To Allenberry

Two hundred and forty-four attended the production of the play "My Three Angels" at Allenberry Monday evening. The play was sponsored by the Gettysburg Rotary Club and replaced its regular meeting here.

Fourteen members of the Littlestown Rotary Club and their guests were also present at the show.

Profits from the production will be placed in the Charity fund of the local Rotary club.

**SPORTSMEN TO MEET**  
President George A. Hughes has called a special business meeting of the Gettysburg Sportsmen's Association for Wednesday evening at 8 o'clock at the club house.

## Blame Two In Army Hearing

The Associated Press reported today that the Detroit News said in a copyrighted story that the Republican majority of the seven-man group which looked into McCarthy-Stevens row has decided that both McCarthy and Secretary of the Army Robert Stevens were "at fault."

The story by Martin S. Hayden of the News Washington Bureau said the majority "straddles the question of whether McCarthy or Stevens is the more guilty."

Sen. Potter (R-Mich.), in a statement of individual views made public here, was highly critical of Roy M. Cohn, former counsel to McCarthy's Senate Investigations subcommittee. Cohn resigned his post soon after the hearings on the McCarthy-Army controversy. Potter also criticized McCarthy and Stevens.

## M-SGT. LEONARD RETIRES FROM ACTIVE DUTY

M-Sgt. Max T. Leonard, since August, 1951, Sergeant Major with the Gettysburg College Air Force ROTC Unit, retired from active duty today after 20 years service. He will become assistant to Richard Debus, business manager of Gettysburg College.

A native of Hollidaysburg, Pa., Leonard enlisted in the Army Air Corps in August, 1933, and served with the 35th Pursuit Squadron, Langley Field, Va., until July, 1934, when he was transferred from the Army Air Corps to the Coast Artillery Corps. He served with the 55th Coast Artillery as an Observer Sergeant in Hawaii until 1940, when he returned to the United States as Sergeant Major for the 74th CAC Regiment at Port Monroe, Va.

In 1941, he was assigned to the 34th Coast Artillery Brigade at Norfolk, Va., as Sergeant Major of the Brigade. He served with the 34th Brigade all through World War II, including tours of duty in the European and North African theaters, as well as in Italy and Sicily. From August, 1942, until the return of the unit from overseas duty, he served as Assistant Adjutant.

**Enlists In Air Force**  
He was separated from the service on December 22, 1945, but returned in January, 1946 as an enlistee in the Army Air Force. First assigned to Lowry Air Force Base, Denver, Colo., Sgt. Leonard later attended the first Air Force ROTC instructor school at Perrin Air Force Base, Texas, for indoctrination relative to initiation of the Air Force ROTC plan into colleges and universities.

Upon completion of Air Force ROTC school, he was assigned to the University of Wyoming as an AFROTC instructor and detachment Sergeant Major. In August, 1950, he was assigned to Hq., 10th Air Force, Selfridge Air Force Base, Michigan and performed duties as Sergeant Major of the Inspector General's Section. In August, 1951, he was assigned to the Gettysburg College unit.

Sgt. Leonard will begin his duties in the college business office in the immediate future. With his wife and two daughters, he will reside at 356 York St.

## Cows Damage Golf Course Green Monday

About two dozen cows broke out of Charles Redding's pasture about 6 o'clock Monday night, wandered onto the golf course of the Gettysburg Country Club, and tore up the green on the third hole before they were rounded up.

Glenn L. Bream, past president of the club and a member of the Golf Committee, said that the green was "completely ruined." He estimated the damage at \$400 to \$500, and that it would be two to four months before the grass would grow back properly.

The tournament to decide the club championship, now in progress will be continued. It must be concluded by September 2.

A similar mishap occurred about a month ago, when a group of cows destroyed the number nine green. It has since been repaired so that play is not greatly handicapped.

A requiem mass was held at 9 o'clock in St. Francis Xavier Catholic Church with the rector, the Rev. Fr. Anthony F. Kane, officiating. Interment and graveside services will be conducted Wednesday morning at 11 o'clock in St. John's Catholic Cemetery at Orange, N. J. Mrs. Bohner was a native of that city.

The pallbearers this morning were: Paul L. Roy, Clarence W. Epley, Charles M. Sheely, Charles W. Wolf, James Spahr and Allen Larson.

## GETTYSBURG'S SCHOOLS MAY NOT OPEN 'TIL SEPTEMBER 13

Public schools in the Gettysburg Jointure may not open until Monday, September 13.

Final decision on the opening date was left in the hands of Supt. L. C. Keefe and High School Principal G. W. Lefever by the Jointure's board of directors at a special meeting Monday evening.

The progress made by workmen the remainder of this week will determine whether school will open as scheduled on Wednesday, September 8, or not until the following Monday.

Painting, flooring and the placing of furniture in the new library, formerly the auditorium, must be done before the building can be used, the school officials agreed.

## Junior High First

No deadline was set for the decision but announcement will be made in The Gettysburg Times and on WGCT as soon as the opening date is decided, the school officials said.

Whether schools opens the 8th or the 13th, Principal Lefever said it will be handled this way: The Junior High students will be brought in the first day and Senior Highs the next with all high school students reporting on the third day.

Elementary schools will not open until the high school is in session because all students use the same buses and the same school calendar.

## Strike Caused Delay

If the opening is delayed, one day will be made up by having school on next Easter Monday and the two other days will be added at the end of the term.

An early summer carpenter's strike that lasted two weeks contributed to the present "squeeze" for time. Painters are being delayed now because sanding of unfinished millwork in the library has not yet been done. A crew of 20 to 30 painters faces a lay-off unless they can start soon on the high school job.

Principal Lefever, who attended the board meeting Monday evening in the industrial arts room at the school, was asked by Superintendent Keefe to tell the board what plans he had made for opening the high school.

## To Be Without Auditorium

"We're going to be without an auditorium for the rest of this year and we're going to be squeezed for space, but we can manage. When school is opened we'll call in the Junior High students on the first day and the Senior Highs on the second. Then all of them on the third."

"It would be impossible to handle properly 1,050 pupils on the first day in the condition the building is in. It would be particularly unfair to the incoming Junior High pupils."

Stating that it seems impossible to operate until the library is finished, Mr. Lefever said: "I think we'd be better off by having school on next Easter Monday and adding two days at the end of the term next June than to try to have school next week if the building is not ready."

SWEAT POURS TARHEEL SOIL

As the representative of Governor William Umstead, N. C., Old Colt tanker Wilson T. Sweat, scattered the pound of Tarheel soil about the roots of the Eisenhower Memorial tree at Saturday's dedication services.

A native of Charlotte, Sweat elected himself "master of ceremonies" for the Tanker festivities over the weekend and kept the assemblage in good humor. He was highly praised by General L. C. Jaynes as "the sort of fellow you have to have in a good company when the going really gets tough. They're the fellows who make morale."

Sweat commented on the memorial proceedings saying "I'm proud to bring a pound of Tarheel soil to the dedication."

In presenting the soil to Sweat, district manager of the Firestone Tire and Rubber Company, Gov. Umstead said, "The men and women of North Carolina have always responded to the defense of our country in time of national peril. We should always be grateful for the unselfish and patriotic service of all our veterans in past wars. To all those who gave their lives, as did many serving with the Tank Corps, we owe our undying gratitude."

Hugh Bringham To Open Electrical Shop

Hugh Bringham, Lincolnway East, Granite, will open an electrical service Wednesday, September 1. Bringham's shop, with quarters in his residence, will offer residential, commercial and industrial electric service.

Bringham has a backlog of electrical experience having worked for the last four years at the Duffy-Mott Co. Inc., Aspers, where he is in charge of electrical work. He also completed two years' work at Warner Vocational School, York.

He is a native of Biglerville where he was graduated from Biglerville High School. He enlisted in the Army Air Force in 1938 and served overseas five years including tours in Panama, South American, Europe and Africa. He was a technical sergeant in bomb sight maintenance.

Use Marble Urn To Transport Soil

Soil from the birthplace of Calvin Coolidge at Plymouth, Vermont, was brought here for inclusion among earth from 48 states, Hawaii, Puerto Rico, and Alaska at the planting of the World War Tank Corps Association Pine tree on the Battlefield Saturday. An urn of Vermont Marble procured by Jack Sullivan, of Rutland Vermont, a member of Co. A, 303rd Tank Battalion, at Camp Colt here in 1918, was used to transport the soil. Sullivan was assisted by Daniel J. Brown, also of Rutland, in bringing the soil here, and placing it with the others at the tree.

Pass Resolution On Fetter's Death

The Pennsylvania State Association of County Commissioners has sent a resolution passed by the state organization in the death of Clark L. Fetter, former chairman of the Adams County Board of Commissioners.

Sent to the Adams County commissioners for submission to Mr. Fetter's family, the resolution expresses the sympathy of the state organization and "formally recognizes the faithful and generous service, the loyal friendship and unfailing courtesy and consideration that characterized the life" of the late county commissioner.

The resolution was signed by John D. Doherty, president of the state unit and Herbert S. Bolger, its secretary.

MATTINGLY RITES HELD

Largely attended funeral services for Samuel J. Mattingly, 47, Delap Ave., local barber, who died suddenly Friday, were held this afternoon at 2 o'clock at the Peters Funeral Home, with the Rev. H. V. March officiating. Interment in The Pines cemetery, near New Chester. Pallbearers included David Weller, John Fox, Harry Bumbaugh, Curvin Kroust, Hubert Gallagher and Harold Cromwell.

The bride, who wore a blue silk crepe dress, is employed at the Gettysburg Garment Company. Her husband, who attended a commercial school in York, is employed by the H. J. Williams Co., York.

After a honeymoon in Canada, Mr. and Mrs. Hartlaub will make their home on Seminary Ave., Gettysburg.

GETTYSBURG'S

(Continued from Page 1)  
takes the place of C. M. Barlip. Both had resigned.

Considerable time was spent in discussing the proposal to extend the synchronized time system and the intercommunication system from the new wing of the high school throughout the old building. Prices for placing conduits and outlets, divided into five separate jobs, totaled \$2,126 but the board delayed any decision until cost figures are secured on the wiring, 27 clocks and 66 speakers.

After a report from an inspection by an insurance carrier showed a need for re-tubing of the old boiler in the high school heating plant, the board directed that bids be secured immediately. One estimate given Monday evening placed the probable cost of the job at over \$1,000.

Authority was given to the Metropolitan Edison Company to move large poles supporting transformers to a point nearer the school building and east of Wainwright Ave.

Balk At \$1,800 Price  
The floors for the two health rooms at the high school, last estimated to cost \$200 and now given a \$466 price tag by the contractor, will be placed by the MacDonald Company of Gettysburg at their bid of \$285, it was decided by the directors Monday.

The board approved a change order involving a net cost increase of \$969 to change from a three- to a six-inch line for the gas supply to the new high school annex. Originally the gas was to be furnished only for cooking but now the annex will be heated with gas and the larger line was needed.

The directors rejected another proposal to extend a four-inch line to the furnace room of the old building in preparation for the time when furnaces there may be converted from oil to gas. The board balked at the \$1,800 extra cost and pointed out that the old building's heating plant only a few years ago was converted from coal to oil with the necessary storage tanks being placed.

Okay A "Must"  
Approval was given a redesigned storm sewer system for the high school that will cost \$1,729 but it was labelled a "must" proposition. The storm sewer system on the blue prints was designed only for the annex but it was found that the roof water from the present building uses a line running under the new auditorium so that new lines must be enlarged to handle surface water from both buildings.

A change to cost an extra \$137 was authorized involving the placing of a lavatory and cuspidor in the new high school health rooms.

Engagement

Noel-Grove  
The engagement of Miss Shirley March Grove, daughter of Percy Grove, Littlestown R. 2, to Kenneth Earl Noel, son of John Noel, Hanover, has been announced by her father. The wedding will be in October.

## "HURRY-SCURRY LIFE"

In this modern kind of living . . . people hurry everywhere . . . and to see a person ponder . . . is indeed extremely rare . . . everyone seems to be running . . . in an endless sort of race . . . and a man who takes it easy . . . is regarded out of place . . . people run to make connections . . . on a bus or on a car . . . and each nation is engaged in . . . racing to the nearest star . . . but this hustle and this bustle . . . seems to be out of control . . . and we all must pay the price . . . with ill health as a priceless toll . . . sometimes it is necessary . . . to press on with greater speed . . . but I'd say that in most cases . . . of great haste there is no need . . . if you ask the folks who hurry . . . up and down and to and fro . . . you would find if they were honest . . . that they had no place to go.

## FAIR TRADE LAW FOR BEER WILL BE ATTEMPTED

HARRISBURG (AP)—Pennsylvania beer distributors mapped plans today to bring beer prices under fair trade restrictions.

James Ross, Easton, president of the Malt Beverage Distributors Assn., disclosed the program today in calling for "orderly market-

## PROCEDURES' in beer sales.

The 1955 Legislature will be asked to enact the fair trade law for the beer distributors, the association said.

## Opposition Likely

The association recently told its members: "Perhaps the greatest problem confronting the brewing industry today is the failure of the brewers to adopt orderly marketing practices of their products."

"The fact is that, by refusing to establish minimum wholesale and retail prices for its products, it is hurting not only the distributor but, in the long run, it is jeopardizing the brewer's future."

Under such a law, brewers would be required to post with the State Liquor Control Board minimum prices below which their products could not be sold by the brewers, importing distributors or distributors.

The proposal is backed principally by larger beer distributors who handle "name" brands.

Smaller distributors, bucking against "name" brand competitors, may oppose the plan on grounds that their business—built up by cut prices on locally brewed beer—would be legislated into bankruptcy.

Williams added.

Williams told the committee McCarthy did not want Williams to base his defense on a motion to dismiss the charge; that the senator wanted to meet it squarely.

However, Williams said, he, as McCarthy's attorney, would be delinquent in his duty if he did not raise legal issues he regarded as important.

Never in the history of the Senate, never in the history of the U.S. judicial system, had a senator been censured for conduct that occurred in a preceding Congress, Williams contended.

Watkins said the committee already had "determined that issue" of whether the charge was pertinent to its inquiry.

The committee, Watkins said, does not propose to go into the question of the "truth or falsity" of any matters raised before the banking subcommittee but only into whether McCarthy's conduct was such that he should be censured for it.

"We don't agree with you," Watkins told Williams. But he said the attorney could put his argument in a brief and that the brief would be carefully considered.

## STOP GARBAGE COLLECTIONS IN THREE TOWNS

Garbage collections in Hanover were stopped again Monday as private collectors were halted from using the recently-acquired site in Berwick Township, Adams County, by action of the township supervisors.

A spokesman for the collectors said Monday night garbage would not be picked up until further notice. Collections at homes are usually made once a week; at restaurants and business places, several times a week.

Berwick Township supervisors passed an ordinance Saturday prohibiting the deposit of garbage in the township. This action, taken after receipt of a petition signed by township residents, automatically stopped collectors from using the dump on the property of Stewart R. Mehring, Hanover R. 3, with whom the collectors had reached an agreement to use a land fill he had constructed on his property for the purpose of garbage disposal.

Following the Berwick supervisors' action, Mehring advised the Hanover collectors to cease temporarily the use of his dump until legal interpretation of the ordinance could be secured to settle the question.

About three weeks ago, the Hanover collectors were given temporary use of Spring Grove dump when the sites used until that time became filled. Then, last Monday the site on the Mehring property was obtained.

In addition to Hanover, the boroughs of McSherrystown and New Oxford are affected by the Berwick ordinance, as garbage from these towns also was dumped on the Mehring property.

AL POLLARD REFUSES TO PLAY FOR EAGLES

VANCOUVER, B. C. (AP)—Al Pollard, fleet halfback whose longest run so far this season has been from Philadelphia to Vancouver, said last night he wouldn't return to the National Football League team he jumped "no matter what."

Pollard is the center of a dispute between the NFL Philadelphia Eagles and the British Columbia Lions of the Western Interprovincial Football Union.

The Eagles, who have Pollard's name on a 1954 contract, said earlier yesterday they would sue the Lions and Coach Amos Stukus for damages over an alleged breach of contract.

Eddie Mathews, star third baseman for the Milwaukee Braves, will be 23 in October.

## Police Find Battered Woman, Jail Husband

CHESTER, Pa. (AP)—Police have arrested a Chester man whose wife was found unconscious in a picnic area shed Sunday night in nearby Ridley Twp.

William Schade was taken into custody yesterday when he appeared at Ridley Twp. police headquarters to inquire about his wife. Police said Mary Schade, 29, was apparently the victim of a beating.

A patient at Crozer Hospital, Upland, she suffered a possible back fracture, possible fractured ribs and cuts and bruises.

## Two "Rebel" Air Force Colonels Here

Two "Colonels" of the "Confederate Air Force" were present for the Tank Corps reunion here. One was Captain Frank C. Townsend of Elkhart, Indiana, and the other the retiring national commander of the tank corps association, Glenn Hutton.

Their "official identification cards" state that their duties include the "harrowing of carpetbaggers," "praise the glories of the South" and "always remember that damnyankee is one word."

MONTREAL (AP)—An automobile crashed into a bus at Greenfield Park across the St. Lawrence River from Montreal killing Mrs. Nellie Kenef, 60, of Ashland, Pa., Sunday. She was a passenger in a car driven by Louis Dizio, 25, of Greenfield Park. A coroner's jury returned a verdict of accidental death.

## STATE MAN AND FRENCH YOUTH KILLED IN CRASH

EASTVIEW, N. Y. (AP)—A Pennsylvania industrialist and a French student traveling with him were killed yesterday when their small plane crashed on the grounds of Grasslands Hospital.

Dead were David Jacques Benoliel, 54, president of the Quaker Chemical Products Corp. of Conshohocken, Pa., and Gerard le Royer, 21, of Paris, France.

The plane, which plunged into a potato patch 100 feet from the hospital building, was so badly wrecked that police could not determine its make. Benoliel's sister-in-law, Mrs. L. Osmond Benoliel, later identified it as a Navion purchased from Arthur Godfrey five years ago.

Witnesses reported that the engine coughed and sputtered and then died just before the crash.

The plane, owned by Benoliel's firm, was based at Wing Airport in Blue Bell, Pa., and last Friday was logged out of there for Beverly, Mass. Police said they did not know that its destination was on yesterday's flight.

Mrs. Benoliel said she believed her brother-in-law had gone to Newport, R. I., where his son, Peter, is stationed with the Navy.

The man's other survivors are his widow, Mrs. Catherine Benoliel; a daughter, Lynn, his brother, L. Osmond; and a sister, Mrs. William Louchheim of Beverly Hills, Calif.

## 3 MEMBERS OF

(Continued from Page 1) day were moved to a funeral home at Elizabethton, Tenn., where funeral services will take place.

"Bobby" Unidentified

Banker had been attempting throughout the morning to find whether the "Bobby" who accompanied Mr. and Mrs. Sutphin was a local youth, or from Tennessee.

The children here did not know, and relatives contacted in Tennessee said they knew only the child's first name was "Bobby" and that he had been accompanying Mr. and Mrs. Sutphin.

Bobby's body remained in the Harrisonburg funeral home while the attempt was being made to locate his family.

# YOU CAN'T MATCH IT!

Only Mercury offers you such extra power, famous economy, advanced styling—higher resale value too!

For example, you get an entirely new 161-horsepower overhead valve V-8—not an under-powered straight 8 or an old-fashioned 6 still offered by some cars.

You get new ball-joint suspension for easier handling, smoother driving—exclusive with Mercury in its class.

You enjoy Mercury's famous economy of operation, and low upkeep. For this is one of the most efficient Mercurys ever built.

You get clean, fresh, flow-together styling—not ungainly bumps, bulges, and fancy chrome tricks that tend to "date" a car.

Most important, you get proven value—a car that consistently holds the "class championship" for resale value according to independent national market reports.

It adds up to this. You can't match a Mercury. And you can't match our deal. We invite you to come in and see for yourself.

# SWEAT POURS TARHEEL SOIL

As the representative of Governor William Umstead, N. C., Old Colt tanker Wilson T. Sweet, scattered the pound of Tarheel soil about the roots of the Eisenhower Memorial tree at Saturday's dedication services.

A native of Charlotte, Sweet elected himself "master of ceremonies" for the Tanker festivities over the weekend and kept the assemblage in good humor. He was highly praised by General L. C. Jaynes as "the sort of fellow you have to have in a good company when the going really gets tough. They're the fellows who make morale."

Sweet commented on the memorial proceedings saying "I'm proud to bring a pound of ixie soil to Yankee land."

In presenting the soil to Sweet, district manager of the Firestone Tire and Rubber Company, Gov. Umstead said, "The men and women of North Carolina have always responded to the defense of our country in time of national peril. We should always be grateful for the unselfish and patriotic service of all our veterans in past wars. To all those who gave their lives, as did many serving with the Tank Corps, we owe our undying gratitude."

He is a native of Biglerville where he was graduated from Biglerville High School. He enlisted in the Army Air Force in 1938 and served overseas five years including tours in Panama, South American, Europe and Africa. He was a technical sergeant in bomb sight maintenance.

## Use Marble Urn To Transport Soil

Soil from the birthplace of Calvin Coolidge at Plymouth, Vermont, was brought here for inclusion among earth from 48 states, Hawaii, Puerto Rico, and Alaska at the planting of the World War Tank Corps Association Pine tree on the Battlefield Saturday. An urn of Vermont Marble procured by Jack Sullivan, of Rutland, Vermont, a member of Co. A, 303rd Tank Battalion, at Camp Colt here in 1918, was used to transport the soil. Sullivan was assisted by Daniel J. Brown, also of Rutland, in bringing the soil here, and placing it with the others at the tree.

## Pass Resolution On Fetters Death

The Pennsylvania State Association of County Commissioners has sent a resolution passed by the state organization in the death of Clark L. Fetters, former chairman of the Adams County Board of Commissioners.

Sent to the Adams County commissioners for submission to Mr. Fetters' family, the resolution expresses the sympathy of the state organization and "formally recognizes the faithful and generous service, the loyal friendship and unflinching courtesy and consideration that characterized the life" of the late county commissioner.

The resolution was signed by John D. Doherty, president of the state unit and Herbert S. Bolger, its secretary.

# GETTYSBURG'S

(Continued from Page 1)  
takes the place of C. M. Barlup. Both had resigned.

Considerable time was spent in discussing the proposal to extend the synchronized time system and the intercommunication system from the new wing of the high school throughout the old building. Prices for placing conduits and outlets, divided into five separate jobs, totaled \$2,128 but the board delayed any decision until cost figures are secured on the wiring, 27 clocks and 66 speakers.

After a report from an inspection by an insurance carrier showed a need for re-tubing of the old boiler in the high school heating plant, the board directed that bids be secured immediately. One estimate given Monday evening placed the probable cost of the job at over \$1,000.

Authority was given to the Metropolitan Edison Company to move large poles supporting transformers to a point nearer the school building and east of Wainwright Ave.

Balk At \$1,800 Price  
The floors for the two health rooms at the high school, last estimated to cost \$200 and now given a \$466 price tag by the contractor, will be placed by the MacDonald Company of Gettysburg at their bid of \$285, it was decided by the directors Monday.

The board approved a change order involving a net cost increase of \$969 to change from a three- to a six-inch line for the gas supply to the new high school annex. Originally the gas was to be furnished only for cooking but now the annex will be heated with gas and the larger line was needed.

The directors rejected another proposal to extend a four-inch line to the furnace room of the old building in preparation for the time when furnaces there may be converted from oil to gas. The board balked at the \$1,800 extra cost and pointed out that the old building's heating plant only a few years ago was converted from coal to oil with the necessary storage tanks being placed.

Okay "A Must"  
Approval was given a redesigned storm sewer system for the high school that will cost \$1,729 but it was labelled a "must" proposition. The storm sewer system on the blue prints was designed only for the annex but it was found that the roof water from the present building uses a line running under the new auditorium so that new lines must be enlarged to handle surface water from both buildings.

A change to cost an extra \$137 was authorized involving the placing of a lavatory and cuspidor in the new high school health rooms.

The Gettysburg cigar store, with a fine local trade and a good box trade is offered for sale by the proprietor at a reasonable price. Next-class battlefield souvenir stand, next door to W. M. depot.

Wedding Bells: Ridinger-Johns.—S. Duffield Ridinger, of this place, was united in marriage to Miss Mary A. Johns, of Table Rock, on Saturday the 20th inst. The wedding, which was a quiet one, occurred at the home of Mr. Ridinger in this place and the ceremony was performed by the groom's pastor, Rev. W. W. Hartman.

Her Ninth Birthday: Ethel, the interesting little daughter of Mr. and Mrs. Reuben M. Culp, York street, celebrated her 9th birthday on the evening of the 19th inst., by entertaining forty of her little friends and associates.

Pensions: C. B. Shields of this place has had his pension increased from \$8 to \$10 per month.

Republican Convention: D. B. McPherson elected chairman. The Republican County Convention held on Monday, was one of the most enthusiastic and largely attended held in Adams county for many years.

The Republicans turned out in large numbers coming from all sections of the county, every district furnishing its full quota of delegates. The Court House was filled and the large audience manifested great interest in the proceedings of the convention which were marked by harmony and order.

Judge Swope's presence was announced and he immediately ascended the Judge's stand and expressed his gratitude to the Convention for renominating him for the honorable position of President Judge, and gave assurance that if re-elected he would fill the position with fidelity and with greater ability than during his first term by reason of having had ten years' experience on the bench.

## Today's Talk

**PEOPLE NEW TO US**  
People are constantly changing, mentally, physically and spiritually. That's why some of our old friends whom we have not seen for a long time, seem changed when we meet them. Well, they have changed. We all change from year to year.

Most of the physical body stops growing at maturity, but not the brain. The brain is forever growing, expanding, reaching out, enriching itself, and changing its structure to house more and more ideas and valuable information. Ever-changing people are wonderful to whom to tie. They will never bore you.

All of us have friends whom we have known for a long time, but not until thrown into intimate contact with them do we actually come to know them. They then become new to us. I am a lover of books and at my luncheon club I contact many men. A few years ago I met an interesting news reporter, but not until we sat one day talking about rare books and collecting them did I really come to know him, for he was immediately new to me, and so inspiring that he keeps changing into a new man every time we meet for a good talk.

Many a human being is misjudged and not known simply because we may be prejudiced or misinformed about him. Just as soon as we really come to know such a one, then it is that that person becomes a new one to us. It's as though we had never heard of him before. My first visit to the West Coast at San Francisco sold California to me forever. Every one was so friendly. I, a stranger, came out of my hotel the first morning and the first man I passed greeted me with a Good Morning! But this was not an isolated case. I learned it was habitual with Californians. These were new people to me.

We read a great deal about the peoples of all countries and locations, but not until we come into personal contact with them do they present themselves as new to us, no matter how well informed we may be about them.

Tomorrow Mr. Adams will talk on the subject: "That Little Extra"

**HOME ORCHESTRA**

Six "teen age boys" some years ago Within our home we found. And five of them had horns to blow And one a drum to pound. The mother said: "Good gracious, dear! A hand has met to play. When such a dreadful noise they hear What will the neighbors say?"

Twelve feet were tapping on the floor, The measured time to beat. I doubt that ever heard before Were notes so sour or sweet. Said I: "That youngster with the drum Deserves a round of cheers. Though that's a fearful noise to some, It's music to my ear."

"It's simply dreadful," mother said. "The neighbors, every one, Must wonder have our senses fled To let such things go on."

Said I: "Those lads have lungs with power That rattle wall and door; But this must be their practice hour, And that's what home is for."

## LEGIONNAIRES MARCH TODAY IN WASHINGTON

By WARREN ROGERS JR.  
WASHINGTON (AP)—The American Legion aimed its mammoth convention parade — its biggest ever or close to it — down Historic Pennsylvania Avenue today.

When it would end was anybody's guess. Right up to the first "forward march!" at 2 p.m., officials acknowledged they did not know how long the marchers would be stepping by. But, they predicted, it would be far into the night.

**About 350 Bands**  
And they had plenty of advance statistics on the swirling mass of drum majorettes, legionnaires, ladies' auxiliary members and the fun-loving 40-and-8ers:

Some 75,000 to 80,000 parading for 8, maybe 12, hours to the music of about 350 bands. Along the route perhaps as many as 700,000 spectators, some of them government workers given the afternoon off. That would be bigger than the 65,000 or so marchers at the St. Louis legion convention last year, bigger even than the record 70,000-plus at New York in 1947.

Last night legion banqueters heard Mrs. Chiang Kai-shek tell of China's Communist enslavement and Soviet Russia's actions toward her country since as far back as 1926.

**"Not Slaves For Long"**  
The wife of Nationalist China's leader brought a sympathetic audience to its feet in applause when she said in measured words:

"Conquerors have come and conquerors have gone, but our way of life has withstood them and will continue to withstand the present brutal masters."

"We Chinese will not be slaves long. This I promise you . . . for there are countless living and determined heroes on the mainland as well as on Formosa."

**Get Two Protests**  
Mme. Chiang's speech was her first public appearance since coming to the United States for medical treatment several months ago.

Also last night the legion was on the receiving end of protests from two other organizations, the American Medical Assn. and Americans for Democratic Action.

The AMA hit back at what it called an "attack" by Legion National Commander Arthur J. Connell on the AMA's "stand against the admittance of non-service-connected cases to veterans hospitals." The doctors' group issued a statement saying that Americans "did not follow the colors to become wards of the government."

**ADA Is Angry**  
Connell had accused AMA last week of conducting an "anti-veteran crusade" and declared the legion will continue its fight to get beds in federal institutions for ill veterans who can't afford hospital bills.

ADA, which calls itself a liberal political action group dedicated to the principles of the New and "Fair" Deals, protested as "scurrilous back-fence art" a painting displayed in the legion's National Security Room. ADA National Director Edward D. Hollander said the painting reportedly portrayed the ADA, former President Truman, the British Empire, labor unions and the lend-lease program as aiding Communists.

There was no immediate comment from the legion, but it was learned the painting was removed.

## TV CRIME SHOWS BIG INFLUENCES ON TEENAGERS

By VIVIAN BROWN

**The Associated Press**  
You know the old joke about Ohio being round on the ends and high in the middle—well, now you'll have to amend it to accommodate all the squares that hail from that state. And judging from reporter Ricardo Brown's teen roundup they're a drama worth observing.

Two of the biggest influences on Columbus teen-agers, he says, are author Mickey Spillane of "I, the Jury" and "Dragnet"—radio, TV crime show. A typical everyday scene goes like this:

A doll, a real doll, alive and warm with cherry lips, moved close to the silent boy and, in a voice drained of emotion, breathed: "Get the facts."

**Dim Room**  
Her companion nodded, then disappeared briefly into a cramped, dim room.

Returning from the phone booth, he reported: "No getaway car tonight."

His voice, which tried to strain out all emotion, still held notes of tragedy.

The blonde sighed, slumped into a seat at the soda fountain, and muttered, "Pow! right on the kisser!"

**Natty Attire**  
"Ace," nattyly attired in levis and charcoal-gray sport shirt, stood by nervously. He refrained from scuffing his spotless white suede shoes. But little blue cashmere sweater was colder than a day in February.

If "Ace" couldn't get the family car tonight, they'd have to take a bus to the school dance.

**Dragnet Theme**  
The dragnet theme comes by way of two currently popular records, the song from the show and "Little Blue Riding Hood," dialogue satire of the Dragnet format.

Students seem neater, a bit more conservative and better dressed than in some previous seasons. Their minkey, however, is closely related to the "cool cats" of a recent season, those who never got excited or "hot."

## Start New Charges Against Huk Chief

MANILA (AP)—State prosecutors Monday said they were preparing fresh charges against convicted Communist Huk leader Luis Taruc, the wily rebel who was sentenced yesterday to 12 years imprisonment and a \$10,000 fine for rebellion.

Government prosecutors said they were not satisfied with the sentence imposed on Taruc by Judge Gregorio Narvasa of the Manila Court of First Instance. Taruc was convicted only of charges of rebellion. He had pleaded guilty to a 23-count indictment including murder, kidnap, arson and robbery.

The prosecution earlier asked that life sentence be imposed on the 40-year-old dissident, who surrendered last May. The defense said they were satisfied with the sentence.

**CARDINAL EXPIRES**

VARESE, Italy (AP)—Alfredo Ildefonso Cardinal Schuster, Roman Catholic archbishop of Milan, died Monday of a heart ailment. He was 74.

The aged churchman, who was elevated to the College of Cardinals and took over his archbishopric in 1929, had been in failing health for some time. He died in the papal seminary at Venegono, near Milan.

HARRISBURG (AP)—U.S. Sen. Edward Martin (R-Pa.) says the majority of Americans want a new organization of nations in their efforts for peace.

"There is no doubt in my mind that the majority of Americans would favor a new organization of nations, truly united for peace in the world," Martin said here on Monday at the 40th anniversary program of the Jednota Home, operated in nearby Middletown by the First Catholic Slovak Union.

tion of the 1954 season Monday night with the mystery-melodrama, "Laura."

First hailed as a mystery novel, then as a motion picture produced in 1947, "Laura" was presented with success on Broadway only a few seasons ago. It is the story of a murder and its solution, brought about by the play's leading character, Mark McPherson, a detective on New York City's homicide squad. The play's many ironic twists and a surprise turnabout make it one of the most successful mysteries in the history of the American theatre.

## Allenberry Plays Comedy Two Weeks

Frank Hammerton, a veteran of 14 years on the European and South African stage, has the lead role in the Allenberry Players production of the farce comedy "My 3 Angels," which opened Monday night and continues through September 1. His role is that of a Devil's Island convict whose talent for forgery comes in handy when he and two other "angelic" convicts decide to help a poor family enjoy Christmas.

The comedy, by Sam and Bella Spewack, completed its Broadway run earlier this year. In addition to Hammerton the Allenberry cast has John McMartin and John Hallow in the roles of the other two convicts. Bettie Endrizzi, David Warren, and Sandra Speiser play the members of the family who are befriended by the convicts. The villain of the piece is played by Donald Marye.

## Giants Whip Cards While Brooks Bow To Braves; Top Teams In Both Loops To Meet

By BEN PHLEGAR  
AP Sports Writer

No matter what happens now, the New York Giants still will be in first place when they collide head on with the Brooklyn Dodgers in their three-game showdown series starting Friday in the Polo Grounds.

The margin might be as small as two percentage points. It could be as much as 2½ games. But big or small it will be the Giants on top with the Dodgers trying to climb. Any small boy with experience on a greased pole can tell you that going up is the hardest.

The Dodgers, who had been burning up the West like a prairie fire, ran afoul of an old Brooklyn killer from several seasons back last night and dropped a 7-5 decision in Milwaukee.

20th For Johnny

The Giants whipped St. Louis 4-1 with Johnny Antonelli becoming the first National League pitcher to win 20 games. New York is now 2½ games ahead of Brooklyn.

Bobby Thomson, the No. 1 public enemy in Brooklyn since his dramatic homer in the 1951 playoffs between the Giants and Dodgers, showed up in a Milwaukee uniform and smashed a three-run homer in the seventh inning for the winning runs.

The Braves went into the seventh trailing 5-4. After one out Bill Bruton beat out an infield single. A sacrifice put him on second. Joe Adcock walked and Thomson drilled one of Carl Erskine's offerings over the left field fence, 400 feet away.

Duke's 34th Homer

There were some home runs earlier too. Duke Snider hit his 34th with the bases empty in the first. Jack Dittmer gave the Braves a brief 4-3 lead with a two-on drive in the fourth.

Antonelli, the first Giant left-hander to win 20 since Carl Hubbell did it 17 years ago, pitched one of his best games. He held the Cards to four singles, walked three and struck out five. The Giants didn't pull ahead until the seventh when a pair of singles wrapped around a fumble produced the tie-breaking run.

usty Rhodes drove home the other pair in the ninth with a bases-loaded single.

Indians Head For N.Y.

The Cleveland Indians, who put their 4½-game American League lead on the line against New York in a three-game series starting in Yankee Stadium tonight, wound up the Boston end of their season yesterday with their 11th victory in 11 starts against the Red Sox at Fenway Park.

They came from four runs behind to nip the Sox 5-4 with a five-run rally in the seventh. Baltimore won its third straight from Washington 3-1 and Cincinnati made it five in a row with a 5-1 triumph over Philadelphia in the only other major league action.

5 Indian Pitchers  
Aging Hennie Majeski, slashed a three-run homer during the Cleveland uprising. Five of Cleveland's 10 pitchers saw action, starting with rookie Ray Narleski and ending with Mike Garcia.

Bob Turley of the Orioles had a no-hitter working until Jim Busby bunted safely in the sixth, but he had to strike out pinch hitter Maury McDermott with the bases loaded in the ninth to preserve his 11th triumph.

Another one of those three-run homers that figured prominently in yesterday's games came in the Cincinnati victory over the Phils. Jim Greengrass hit this one during a four-run Redleg rally in the sixth.

## Pen-Mar Arbiters To Meet Thursday

A meeting of the board of arbitration of the Pen-Mar Baseball League will be held Thursday evening at 8 o'clock at the Elks Home, York St. It was announced today by Dr. D. Luther Beegle, Emmitsburg, president of the league.

The meeting has been called for the purpose of ruling on the Cash-town-Blue Ridge Summit game which was forfeited to Cashtown on August 22 by an umpire after the Summiteers allegedly failed to take the field in the time allotted them by the umpire following a disputed play and ejection of a player.

## Greenmount Will Host Taneytown

Arrangements for one of the four postponed games in the South Penn Baseball League were announced today.

Next Sunday Taneytown will play at Greenmount. There have been no arrangements announced on other games remaining.

## LEHIGH STARTS GRID PRACTICE ON WEDNESDAY

BETHLEHEM, Pa., Aug. 31 —

Twenty-three sophomores will be among the 45 varsity football candidates reporting on Wednesday as Bill Leckonby starts his ninth coaching season at Lehigh University.

The Engineers will have 20 days of practice before the opening of the 71st consecutive season. The season's inaugural September 25 will mark the renewal of grid relations with the University of Virginia. The Engineers will travel to Charlottesville to resume the series halted in 1941.

Biggest problem facing the coaching staff is the development of a new line, especially at tackles. Five returning lettermen return for duty at the forward wall; two guards, one center, one end, and one tackle.

Five QB Candidates  
Leading the backfield contingent of 20 players will be Captain Harry W. Stotz, Valhalla, N. Y., who displayed equal facility at quarterback, halfback and fullback last year. Leckonby is hopeful that sophomore talent will be developed for the halfback posts so that Stotz can remain at fullback. Of the five quarterback candidates, Tom Gloede, Foughkeepsie, N. Y., senior, is rated as the starter.

Lehigh also will resume relations with Brown and Rutgers during the 1954 schedule. The complete card:

September 25, at Virginia; October 2, Delaware, home; October 9, at Bucknell; October 16, Gettysburg, home; October 23, Rutgers, home; October 30, Brown, home; November 6, Muhlenberg, home; November 13, at Carnegie Tech.; November 20, at Lafayette.

## TRIBE OUT FOR YANKEE SCALPS

By ED CORRIGAN

NEW YORK (AP)—The Cleveland Indians came roaring into the big town today intent on leaving Thursday night with the scalps of the New York Yankees hanging by their belts and the American League pennant wrapped up in a neat bundle.

If the Indians sweep the three-game set starting tonight, they will have increased their lead over the Yanks to 7½ games, and it will be next to impossible for Casey Stengel's Yanks to catch them with time rapidly running out.

At the moment the Indians are 4½ games in front and the heat is on the Yanks. To stay in the running, they must take at least two out of three against the big three of Manager Al Lopez's pitching staff — Early Wynn, Mike Garcia and Bob Lemon.

In fact, the Indians have only one disadvantage. The remaining schedule favors the Yanks somewhat. After they pull out of New York, the Tribe heads directly for Chicago.

## Three Pro Golfers Tied At Shawnee

SHAWNEE-ON-DELAWARE, Pa. Three professional golfers tied for medalist honors with one under par 71 in the qualifying round of the Philadelphia District P. G. A. tournament at Shawnee Inn and Country Club yesterday.

The medalists were Peter Deangelis, Plymouth; Ken Gibson, Huntingdon Valley, and John Serfin, West Pittston.

A field of 82 starters found the going tough as only six pros managed to hit par 72.

Felix Serafin of West Pittston, former Penn State Open champion, failed to qualify for today's match play round. Defending Champion Henry Williams Jr., of Berkeleigh CC, Reading, qualified with a two over par 74.

## Eastern League

By THE ASSOCIATED PRESS  
Currently in sixth place on the strength of a late-season surge, Allentown's Red Birds continue to make it rough on the top Eastern League contenders.

Fresh from a four-game weekend sweep of second place Elmira, the invading Birds last night took their third in a row from Albany, stunned earlier yesterday by the announcement that the club was up for sale.

The 4-1 victory dropped the third-place Senators five games behind front-running Wilkes-Barre and two shy of Elmira, both of whom were idle. Reading needed 10 innings to down host Williamsport, 9-6, in the other scheduled contest.

## COACHES NAMED

PHILADELPHIA (AP)—Two members of last year's University of Pennsylvania football team, Gerry Robinson of Tarentum, Pa., and Dick Rosenblich, Philadelphia, were named assistant coaches of the school's lightweight and freshmen football squads yesterday. Robinson will serve as a backfield coach.

Indians go into important series leading by 4½ games. Wynn has a record of 18 wins and 9 losses; Grim has a 17-5 record this season. (AP Wirephoto)

## FRENCH RENEGE ON EDC LAWS THEY CREATED

By JAMES MARLOW

WASHINGTON (AP)—This is an ABC on what President Eisenhower has just called a "major setback" in the fight against communism: the French refusal last night to join a single European army.

The Western Allies decided on a military alliance when, after the war, it became apparent the Communists were determined to take by force what they couldn't get otherwise. Big example was seizure of power in Czechoslovakia.

The Allies created NATO—North Atlantic Treaty Organization—under which they pledged to help one another in case of attack. Each member would keep its own army but there would be a general staff for planning.

## Germany Excluded

West Germany was not included in NATO. There were obvious reasons. This country, Britain and France — still keeping occupation troops in Germany—have not restored her independence or what diplomats call sovereignty.

Lacking sovereignty, she can't rearm. So long as she is defenseless, the Russians have a soft spot for attack. The Russians have opposed not only NATO but rearmament of Germany. The Allies faced a question:

How to let Germany rearm but in a way to prevent her becoming a menace to her neighbors someday. In June 1950 the Communists showed how far they were willing to go in aggression with their attack on South Korea.

## French Plan

Four months later, on Oct. 26, 1950, Rene Pleven, then French Premier, proposed a plan which in that early stage won approval of the French Parliament. It was the single European army idea, called EDC — the European Defense Community.

Russia tried every trick to keep EDC from being born. Communists in the French Parliament, following the Russian line, fought EDC approval. French nationalists, who wanted France to keep her national army and not merge it in EDC, fought it too.

In addition, there was French fear of Germany rearmament under any circumstances, and fear, no matter how EDC was unified, that Germany would control it. Russia played on these French worries.

## Mendes-France Opposition

At last the present French Premier and foreign minister, Pierre Mendes-France, decided to put EDC to a vote in Parliament. First he tried to get the other five EDC countries to agree to changes in the 1952 agreement which would have made EDC more a fiction than a reality.

He suggested, for instance, that EDC be on trial for eight years and that anyone of the six members could veto what the other five wanted to do. The other five turned him down.

No lover of EDC, Mendes-France asked Parliament to vote. It did, last night, against EDC. That wrecked it.

## Stenographer Heads Field Of 7 Today

DUQUOIN, Ill. (AP)—Stenographer, trotting fully with nine world records to her credit, heads a field of seven today in the Gainsway Farm Stake on the Grand Circuit harness racing card at the Duquoin State Fair.

Stenographer, owned by Max Hempt of Camp Hill, Pa., will be driven by Delvin Miller. Chief competition is expected from Princess Rodney, second to Newport Dream in the Hambletonian.

Princess Rodney, owned by C. W. Pnellis of Greenwich, Conn., won the Gainsway Filly Stake for two-year-old trotters at opening race day here yesterday in straight heats in the day's featured event. Time for the two heats was 2:08.3-5 and 2:08.4-5. Total purse was \$7,140.94.

## JAP SHOWERED BY ATOMIC ASH IS IN DEEP COMA

By JOHN RANDOLPH

TOKYO (AP)—One of the 23 Japanese fishermen showered by radioactive ash from an H-bomb test at Bikini last March was reported near death today.

Doctors said the condition of Aikichi Kibomama, 39, was critical and "worsening." He is in a deep coma.

The fisherman's wife Suzu told a crowded news conference she had "given up hope" for her husband's life and said he had been blind since last night.

Informed observers said that if Kuboyama dies, friendship between Japan and America will sink to the lowest point since the end of World War II.

They said his illness has drawn Japan's 80 million people closer together than any incident since the war. Hundreds milled outside the hospital waiting for news.

Many Japanese were said to feel the United States has treated the case of the burned fisherman too lightly.

The United States has offered compensation for the fishermen and for tuna catches destroyed because they were judged dangerously radioactive.

Japan has barred U. S. medical experts from helping to treat the injured fishermen and has permitted only occasional limited examinations.

## Warns Princess To Avoid Festival

EDINBURGH, Scotland (AP)—An unidentified man telephoned an Edinburgh newspaper today to "warn" Princess Margaret to stay away from a Shakespearean performance here tonight.

Police said they are taking normal security measures but they generally believed the man was a hoaxer.

The Princess, vacationing in Scotland, will be an honor guest at the Edinburgh Festival premiere of the Old Vic production of "Midsummer Night's Dream," which will tour in the United States this fall and winter.

The man who called the newspaper warned that "the national lists will be there," at the Empire Theatre opening.

Nationalists is a term applied to persons wanting Scottish independence or home rule, but they are not cohesively organized.

## REPUBLICANS BEGIN DEFENSE ON SALES TAX

HARRISBURG (AP)—Republicans came to the defense today of the state's one per cent sales tax, which Democrats have made an issue in the 1954 political campaign.

Kenneth F. Kressler, Northampton County, GOP candidate for the State Senate, told a television audience last night:

"I'm for the sales tax until another tax comes along. When the Democrats say they're going to cut out the sales tax they are saying something that isn't true."

In another tax development, Sen. M. Harvey Taylor, Dauphin County's Republican senator, told reporters: "We aren't going to trade any tax for Dave Lawrence's wage tax."

## Candidates Meet

Taylor referred to a wage tax imposed by the Democratic-controlled City Council of Pittsburgh on recommendation of Mayor David L. Lawrence, a top state Democratic leader.

Sen. Taylor made his wage tax comment after a meeting of Republican candidates for the Senate last night at nearby Hershey. Taylor was host at the meeting as president pro tempore of the Senate.

Gov. Lloyd H. Wood, the party's nominee for governor, and Miles Horst, GOP state chairman, addressed the senatorial candidates and senators whose terms do not expire this year.

## To Campaign On Record

Wood said the Republican candidates "can win by campaigning on the record of the Republican party."

Horst urged an aggressive campaign, stating "the GOP is going to move forward."

In other developments, Wood called for the award of a huge locomotive building contract to Pennsylvania firms.

## Jobs For 1,500

He telegraphed the request to Harold E. Stassen, foreign operations administrator, who is now studying the possibility of awarding to Japan a contract for building 100 locomotives to be given to India.

Wood said some 1,500 persons could be put to work immediately if the contract were awarded to rail equipment works in Wilkes-Barre, Berwick, Edgemoor or Butler.

"This means bread and butter to these men and their families, and I want to urge in the most positive way that they get first priority," Wood said.

## LAFAYETTE TO BEGIN DRILLS; 16 LETTERMEN

EASTON, Pa., Aug. 31 — Foot-

ball practice at Lafayette College will get under way Wednesday when some 45 candidates invited by Head Coach Steve Hokuf for pre-season training report.

Included on the roster are 16 lettermen, seven seniors and nine juniors. The squad will have nearly four weeks to prepare for the opening games with Albright here on September 25.

Other Lafayette opponents this season will be Carnegie Tech, Muhlenberg, University of Buffalo, Bucknell, Gettysburg, Rutgers, Delaware and Lehigh.

## Center Is Captain

Captain Russell Heiden, of Trenton, N. J., stocky center, heads the returning lettermen and is expected to be the bulwark of the Maroon line.

Other line lettermen returning are Jack Elbert, Minerville; Dick Flood, Philadelphia; Fred Kaiser, Bellefonte, N. Y.; Tom Kennedy, Lyndhurst, N. J.; Tom McGrail, Worcester, Mass.; Jerry Spacek, Princeton, N. J.; Roy Ulin, Lindenhurst, N. Y.; Jack Burch, Tamaqua; Bob Fyvie, Schenectady, N. Y., and Franklin Mattison, Three Bridges, N. J.

Backfield lettermen returning include Norm Dion, Oxford, Mass.; Dan McCarthy, Worcester, Mass.; Don Raymond, Vandergrift; Bryan Satterlee, Troy, N. Y.; Don Sayenga, Pittsburgh, and George Bartlett, West Orange, N. J.

## Bullets Will Open Drills September 6

Pre-season practice drills for 46 Gettysburg College football candidates will begin Monday morning, September 6, as Head Coach John Yovisich begins his third season.

Daily workouts will be held twice a day for the two weeks prior to the opening of classes, at which time the sessions will take place once daily. Minus 12 lettermen, including All-State and Little All-American halfback, Joe Ujohai, the Bullets will open their eight-game schedule on the night of October 2 at Bucknell.

The Gettysburg roster will be made up of seven ends, seven tackles, eight guards, five centers and 19 backs. Included in the squad will be nine seniors, 22 juniors and 15 sophomores. Twenty-two of the returnees are lettermen, players who helped Gettysburg win eight and lost only one last year for the best record in the history of the school.

## HARRIDGE FINES TWO PITCHERS

CHICAGO (AP)—Will Harridge, president of the American League, has fined pitcher Marion Fricano of the Philadelphia Athletics \$150 and warned him against "throwing at the batters."

Also drawing a fine—\$100—was Steve Gromek, Detroit pitcher, who tangled with Fricano after being hit in the kidney Sunday by one of Fricano's pitches.

Fricano is the hurler who also struck infielder Carl Michaels of the Chicago White Sox on the head with a pitch Friday night. Michaels, who suffered a fractured skull, is in a Philadelphia hospital.

Fricano commented that he'd "like a hearing the next time we're in Chicago. There are two sides to every story and mine hasn't been told."

## Giants Whip Cards While Brooks Bow To Braves; Top Teams In Both Loops To Meet

By BEN PHLEGAR  
AP Sports Writer

No matter what happens now, the New York Giants still will be in first place when they collide head on with the Brooklyn Dodgers in their three-game showdown series starting Friday in the Polo Grounds.

The margin might be as small as two percentage points. It could be as much as 2½ games. But big or small it will be the Giants on top with the Dodgers trying to climb. Any small boy with experience on a greased pole can tell you that going up is the hardest.

The Dodgers, who had been burning up the West like a prairie fire, ran afoul of an old Brooklyn killer from several seasons back last night and dropped a 7-5 decision in Milwaukee.

### 20th For Johnny

The Giants whipped St. Louis 4-1 with Johnny Antonelli becoming the first National League pitcher to win 20 games. New York is now 2½ games ahead of Brooklyn.

Bobby Thomson, the No. 1 public enemy in Brooklyn since his dramatic homer in the 1951 playoffs between the Giants and Dodgers, showed up in a Milwaukee uniform and smashed a three-run homer in the seventh inning for the winning runs.

The Braves went into the seventh trailing 5-4. After one out Bill Bruton beat out an infield single. A sacrifice put him on second. Joe Adcock walked and Thomson drilled one of Carl Erskine's offerings over the left field fence, 400 feet away.

### Duke's 34th Homer

There were some home runs earlier too. Duke Snider hit his 34th with the bases empty in the first. Jack Dittmer gave the Braves a brief 4-3 lead with a two-on drive in the fourth.

Antonelli, the first Giant left-hander to win 20 since Carl Hubbell did it 17 years ago, pitched one of his best games. He held the Cards to four singles, walked three and struck out five. The Giants didn't pull ahead until the seventh when a pair of singles wrapped around a fumble produced the tie-breaking run.

usty Rhodes drove home the other pair in the ninth with a bases-loaded single.

### Indians Head For N.Y.

The Cleveland Indians, who put their 4½-game American League lead on the line against New York in a three-game series starting in Yankee Stadium tonight, wound up the Boston end of their season yesterday with their 11th victory in 11 starts against the Red Sox at Fenway Park.

They came from four runs behind to nip the Sox 5-4 with a five-run rally in the seventh. Baltimore won its third straight from Washington 3-1 and Cincinnati made it five in a row with a 5-1 triumph over Philadelphia in the only other major league action.

### 5 Indian Pitchers

Aging Innies Majeski, slashed a three-run homer during the Cleveland uprising. Five of Cleveland's 10 pitchers saw action, starting with rookie Ray Narleski and ending with Mike Garcia.

Bob Turley of the Orioles had a no-hitter working until Jim Busby bunted safely in the sixth, but he had to strike out pinch hitter Maury McDermott with the bases loaded in the ninth to preserve his 11th triumph.

Another one of those three-run homers that figured prominently in yesterday's games came in the Cincinnati victory over the Phils. Jim Greengrass hit this one during a four-run Redleg rally in the sixth.

## Pen-Mar Arbiters To Meet Thursday

A meeting of the board of arbitration of the Pen-Mar Baseball League will be held Thursday evening at 8 o'clock at the Elks Home, York St. It was announced today by Dr. D. Luther Beegle, Emmitsburg, president of the league.

The meeting has been called for the purpose of ruling on the Cash-town-Blue Ridge Summit game which was forfeited to Cashtown on August 22 by an umpire after the Summiteers allegedly failed to take the field in the time allotted them by the umpire following a disputed play and ejection of a player.

Next Sunday Taneytown will play at Greenmount. There have been no arrangements announced on other games remaining.

## LEHIGH STARTS GRID PRACTICE ON WEDNESDAY

BETHLEHEM, Pa., Aug. 31 — Twenty-three sophomores will be among the 45 varsity football candidates reporting on Wednesday as Bill Leckonby starts his ninth coaching season at Lehigh University.

The Engineers will have 20 days of practice before the opening of the 71st consecutive season. The season's inaugural September 25 will mark the renewal of grid relations with the University of Virginia. The Engineers will travel to Charlottesville to resume the series halted in 1941.

Biggest problem facing the coaching staff is the development of a new line, especially at tackles. Five returning lettermen return for duty at the forward wall; two guards, one center, one end, and one tackle.

Five QB Candidates  
Leading the backfield contingent of 20 players will be Captain Harry W. Stotz, Vahlha, N. Y., who displayed equal facility at quarterback, halfback and fullback last year. Leckonby is hopeful that sophomore talent will be developed for the halfback posts so that Stotz can remain at fullback. Of the five quarterback candidates, Tom Gloede, Poughkeepsie, N. Y., senior, is rated as the starter.

Lehigh also will resume relations with Brown and Rutgers during the 1954 schedule. The complete card:

September 25, at Virginia; October 2, Delaware, home; October 9, at Bucknell; October 16, Gettysburg, home; October 23, Rutgers, home; October 30, Brown, home; November 6, Muhlenberg, home; November 13, at Carnegie Tech.; November 20, at Lafayette.

## TRIBE OUT FOR YANKEE SCALPS

NEW YORK (AP)—The Cleveland Indians came roaring into the big town today intent on leaving Thursday night with the scalps of the New York Yankees hanging by their belts and the American League pennant wrapped up in a neat bundle.

If the Indians sweep the three-game set starting tonight, they will have increased their lead over the Yankees to 7½ games, and it will be next to impossible for Casey Stengel's Yankees to catch them with time rapidly running out.

At the moment he Indians are 4½ games in front and the heat is on the Yankees. To stay in the running, they must take at least two out of three against the three of Manager Al Lopez's pitching staff — Early Wynn, Mike Garcia and Bob Lemon.

In fact, the Indians have only one disadvantage. The remaining schedule favors the Yankees somewhat. After they pull out of New York, the Tribe heads directly for Chicago.

## Three Pro Golfers Tied At Shawnee

SHAWNEE-ON-DELAWARE, Pa. Three professional golfers tied for medalist honors with one under par 71's in the qualifying round of the Philadelphia District P. G. A. tournament at Shawnee Inn and Country Club yesterday.

The medalists were Peter DeAngelis, Plymouth; Ken Gibson, Huntingdon Valley, and John Serfin, West Pittston.

A field of 82 starters found the going tough as only six pros managed to hit par 72.

Felix Serafin of West Pittston, former Penn State Open champion, failed to qualify for today's match play round. Defending Champion Henry Williams Jr., of Berkleigh CC, Reading, qualified with a two over par 74.

## LAFAYETTE TO BEGIN DRILLS; 16 LETTERMEN

EASTON, Pa., Aug. 31 — Football practice at Lafayette College will get under way Wednesday when some 45 candidates invited by Head Coach Steve Hofuf for pre-season training report.

Included on the roster are 16 lettermen, seven seniors and nine juniors. The squad will have nearly four weeks to prepare for the opening games with Albright here on September 25.

Other Lafayette opponents this season will be Carnegie Tech, Muhlenberg, University of Buffalo, Bucknell, Gettysburg, Rutgers, Delaware and Lehigh.

Center Is Captain  
Captain Russell Hedden, of Trenton, N. J., stocky center, heads the returning lettermen and is expected to be the bulwark of the Maroon line.

Other line lettermen returning are Jack Elbert, Minerville; Dick Flood, Philadelphia; Fred Kaiser, Bellefonte, N. Y.; Tom Kennedy, Lyndhurst, N. J.; Tom McGrail, Worcester, Mass.; Jerry Spacek, Princeton, N. J.; Roy Ulin, Lindenhurst, N. Y.; Jack Burchin, Tamaqua; Bob Fyvie, Schenectady, N. Y., and Franklin Mattison, Three Bridges, N. J.

Backfield lettermen returning include Norm Dion, Oxford, Mass.; Dan McCarthy, Worcester, Mass.; Don Raymond, Vandergrift; Bryan Satterlee, Troy, N. Y.; Don Sayenga, Pittsburgh, and George Bartlett, West Orange, N. J.

## Bullets Will Open Drills September 6

Pre-season practice drills for 46 Gettysburg College football candidates will begin Monday morning, September 6, as Head Coach John Yocvins begins his third season.

Daily workouts will be held twice a day for the two weeks prior to the opening of classes, at which time the sessions will take place once daily. Minus 12 lettermen, including All-State and Little All-American halfback, Joe Ujohal, the Bullets will open their eight-game schedule on the night of October 2 at Bucknell.

The Gettysburg roster will be made up of seven ends, seven tackles, eight guards, five centers and 19 backs. Included in the squad will be nine seniors, 22 juniors and 15 sophomores. Twenty-two of the returnees are lettermen, players who helped Gettysburg win eight and lost only one last year for the best record in the history of the school.

## HARRIDGE FINES TWO PITCHERS

CHICAGO (AP)—Will Harridge, president of the American League, has fined pitcher Marion Francan of the Philadelphia Athletics \$150 and warned him against "throwing at the batters."

Also drawing a fine—\$100—was Steve Gromek, Detroit pitcher, who tangled with Francan after being hit in the kidney Sunday by one of Francan's pitches.

Francan is the hurler who also struck infielder Cass Michaels of the Chicago White Sox on the head with a pitch Friday night. Michaels, who suffered a fractured skull, is in a Philadelphia hospital.

Francan commented that he'd "like a hearing the next time we're in Chicago. There are two sides to every story and mine hasn't been told."

## To Start Tussle For Young Readers

LONDON (AP)—Fleet Street, center of London's newspapers, is looking forward to a tussle between two of its giants.

The Daily Express and the Daily Mirror, each with a circulation of four million plus, start this week to publish separate weekly junior newspapers aimed at children of school age.

**Today's Talk**

**PEOPLE NEW TO US**  
People are constantly changing, mentally, physically and spiritually. That's why some of our old friends whom we have not seen for a long time, seem changed when we meet them. Well, they have changed. We all change from year to year.

Most of the physical body stops growing at maturity, but not the brain. The brain is forever growing, expanding, reaching out, enriching itself, and changing its structure to house more and more ideas and valuable information. Ever-changing people are wonderful to whom to tie. They will never bore you.

All of us have friends whom we have known for a long time, but not until thrown into intimate contact with them do we actually come to know them. They then become new to us. I am a lover of books and at my luncheon club I contact many men. A few years ago I met an interesting news reporter, but not until we sat one day talking about rare books and collecting them did I really come to know him, for he was immediately new to me, and so inspiring that he keeps changing into a new man every time we meet for a good talk.

Many a human being is misjudged and not known simply because we may be prejudiced or misinformed about him. Just as soon as we really come to know such a one, then it is that that person becomes a new one to us. It's as though we had never heard of him before. My first visit to the West Coast at San Francisco sold California to me forever. Everyone was so friendly, I, a stranger, came out of my hotel the first morning and the first man I passed greeted me with a Good Morning! But this was not an isolated case. I learned it was habitual with Californians. These were new people to me.

We read a great deal about the peoples of all countries and locations, but not until we come into personal contact with them do they present themselves as new to us, no matter how well informed we may be about them.

**FIFTY YEARS AGO**  
Medical Society Organized: A number of the physicians of Adams County met in this place last Thursday and organized what will be known as "The Medical Society of Adams County," by electing the following officers: Pres., J. W. C. O'Neal; First Vice Pres., E. W. Cashman; Second Vice Pres., L. J. Sheetz; Sec'y and Reporter, Henry Stewart; Treas., N. C. Trout; Censors, J. R. Dickson, Geo. L. Rice, W. E. Wolf; Member of Executive Council of State Society, R. B. Eldridge; Alternates, A. C. Rice, J. G. Glover; Nominee for District Censor, J. R. Dickson.

Dr. Esner read a paper on "Tuberculosis."

The objects of the Society as set forth in its constitution, are "The organization of the profession in connection with the Medical Society of the State of Penna. and the American Medical Association, the elevation of the character and the protection of the proper rights and interests of those engaged in the practice of medicine, and the study of the means calculated to render the medical profession most useful to the public and most subservient to the great interests of humanity."

Following are the members of the Society: T. C. Miller, Abbottstown; W. E. Wolf, Ardenstville; Jas. G. Stover, Bendersville; Jas. E. Glenn and N. C. Trout, Fairfield; Jas. P. Dalbey, J. R. Dickson, H. M. Hartman, J. W. C. O'Neal, Henry Stewart, W. H. O'Neal, Gettysburg; E. G. Spolz, Hampton; R. B. Eldridge, McKnightstown; A. C. Rice and Geo. L. Rice, McSherrystown; L. J. Sheetz and S. C. Coons, New Oxford, and E. W. Cashman, York Springs.

In order to give those who were unable to be present an opportunity to join as charter members, the charter list will be held open until the October meeting of the Society.

**Will Be Married Sept. 7:** Mr. and Mrs. David P. Kitzmiller, East Middle street, have issued invitations for the marriage of their daughter, Miss Blanche May, to Emory Daugherty, the ceremony to take place Wednesday evening, Sept. 7th, at 8 o'clock, in Memorial U. B. church, this place.

**Wedding Bells:** Ridinger-Johns.—S. Duffield Ridinger, of this place, was united in marriage to Miss Mary A. Johns, of Table Rock, on Saturday the 20th inst. The wedding, which was a quiet one, occurred at the home of Mr. Ridinger in this place and the ceremony was performed by the groom's pastor, Rev. W. W. Hartman.

**Her Ninth Birthday:** Ethel, the interesting little daughter of Mr. and Mrs. Reuben M. Culp, York street, celebrated her 9th birthday on the evening of the 19th inst., by entertaining forty of her little friends and associates.

**Pensions:** C. B. Shields of this place has had his pension increased from \$8 to \$10 per month.

**Republican Convention:** D. B. McPherson elected chairman. The Republican County Convention held on Monday, was one of the most enthusiastic and largest attended held in Adams County for many years. The Republicans turned out in large numbers from all sections of the county, every district furnishing its full quota of delegates. The Court House was filled and the large audience manifested great interest in the proceedings of the convention which were marked by harmony and order.

**Judge Snapp's presence** was announced and he immediately ascended the Judge's stand and expressed his gratitude to the Convention for re-nominating him for the honorable position of President Judge, and gave assurance that if re-elected he would fill the position with fidelity and with greater ability than during his first term by reason of having had ten years' experience on the bench.

**LEGIONNAIRES MARCH TODAY IN WASHINGTON**

**By WARREN ROGERS JR.**  
WASHINGTON (AP)—The American Legion aimed its mammoth convention parade — its biggest ever or close to it — down Historic Pennsylvania Avenue today.

When it would end was anybody's guess.

Right up to the first "forward march!" at 2 p.m., officials acknowledged they did not know how long the marchers would be stepping by. But, they predicted, it would be far into the night.

**About 350 Bands**  
And they had plenty of advance statistics on the swirling mass of drum majorettes, legionnaires, ladies' auxiliary members and the tumbling 40-and-50ers:

Some 75,000 to 80,000 parading for 8, maybe 12, hours to the music of about 350 bands. Along the route perhaps as many as 700,000 spectators, some of them government workers given the afternoon off. That would be bigger than the 65,000 or so marchers at the St. Louis legion convention last year, bigger even than the record 70,000-plus at New York in 1947.

Last night legion banquets heard Mme. Chiang Kai-shek tell of China's Communist enslavement and Soviet Russia's actions toward her country since as far back as 1926.

**"Not Slaves For Long"**  
The wife of Nationalist China's leader brought a sympathetic audience to its feet in applause when she said in measured words: "Conquerors have come and conquerors have gone, but our way of life has withstood them and will continue to withstand the present brutal masters."

"We Chinese will not be slaves long. This I promise you . . . for there are countless living and determined heroes on the mainland as well as on Formosa."

**Get Two Protests**  
Mme. Chiang's speech was her first public appearance since coming to the United States for medical treatment several months ago. Also last night the legion was on the receiving end of protests from two other organizations, the American Medical Assn. and Americans for Democratic Action.

**The AMA hit back** at what it called an "attack" by Legion National Commander Arthur J. Connell on the AMA's "stand against the admittance of non-service-connected cases to veterans hospitals". The doctors' group issued a statement saying that Americans "did not follow the colors to become wards of the government."

**ADA Is Angry**  
Connell had accused AMA last week of conducting an "anti-veteran crusade" and declared the legion will continue its fight to get beds in federal institutions for ill veterans who can't afford hospital bills.

ADA, which calls itself a liberal political action group dedicated to the principles of the New and "Fair" Deals, protested as "scurrilous back-fence art" a painting displayed in the legion's National Security Room. ADA National Director Edward D. Hollander said the painting reportedly portrayed the ADA, former President Truman, the British Empire, labor unions and the lend-lease program as aiding Communists.

**There was no immediate comment** from the legion, but it was learned the painting was removed.

**TV CRIME SHOWS BIG INFLUENCES ON TEENAGERS**

**By VIVIAN BROWN**  
The Associated Press  
You know the old joke about Ohio being round on the ends and high in the middle—well, now you'll have to amend it to accommodate all the squares that hail from that state. And judging from reporter Ricardo Brown's teen roundup they're a drama worth observing."

**Two of the biggest influences** on Columbus teen-agers, he says, are author Mickey Spillane of "I, the Jury" and "Dragnet"—radio, TV crime show. A typical everyday scene goes like this:

A doll, a real doll, alive and warm with cherry lips, moved close to the silent boy and, in a voice drained of emotion, breathed: "Get the facts."

**Dim Room**  
Her companion nodded, then disappeared briefly into a cramped, dim room.

Returning from the phone booth, he reported: "No getaway car tonight."

His voice, which tried to strain out all emotion, still held notes of tragedy.

**The blonde sighed,** slumped into a seat at the soda fountain, and muttered, "Powie! right on the kisser!"

**Natty Attire**  
"Ace" nattyly attired in levis and charcoal-gray sport shirt, stood by nervously. He refrained from scuffing his spottish white suede shoes. But little blue cashmere sweater was colder than a day in February.

**If "Ace" couldn't get the family car** tonight, they'd have to take a bus to the school dance.

**Start New Charges Against Huk Chief**

**MANILA (AP)—**State prosecutors Monday said they were preparing fresh charges against convicted Communist Huk leader Luis Taruc, the wily rebel who was sentenced yesterday to 12 years imprisonment and a \$10,000 fine for rebellion.

Government prosecutors said they were not satisfied with the sentence imposed on Taruc by Judge Gregorio Narvasa of the Manila Court of First Instance. Taruc was convicted only of charges of rebellion. He had pleaded guilty to a 23-count indictment including murder, kidnap, arson and robbery.

The prosecution earlier asked that life sentence be imposed on the 40-year-old dissident, who surrendered last May. The defense said they were satisfied with the sentence.

tion of the 1954 season Monday night with the mystery-melodrama, "Laura."

First hailed as a mystery novel, then as a motion picture produced in 1947, "Laura" was presented with success on Broadway only a few seasons ago. It is the story of a murder and its solution, brought about by the play's leading character, Mark McPherson, a detective on New York City's homicide squad. The play's many ironic twists and a surprise turnabout make it one of the most successful mysteries in the history of the American theatre.

Headlining the cast of "Laura" is Joyce Davis, who made her Totem Pole debut in last week's production of "Snafu." Miss Davis has trained in several of the leading schools of drama in New York City and has

**Allenberry Plays Comedy Two Weeks**

Frank Hammerton, a veteran of 14 years on the European and South African stage, has the lead role in the Allenberry Players production of the farce comedy "My 3 Angels," which opened Monday night and continues through September 1. His role is that of a Devil's Island convict whose talent for forgery comes in handy when he and two other "angels" decide to help a poor family enjoy Christmas.

The comedy, by Sam and Bella Spewack, completed its Broadway run earlier this year. In addition to Hammerton the Allenberry cast has John McMartin and John Hallow in the roles of the other two convicts. Bettie Endrissi, David Warren, and Sandra Spelzer play the members of the family who are befriended by the convicts. The villain of the piece is played by Donald Marrye.

## EXPECT SCHOOL ENROLLMENT TO BE 1,809,000

HARRISBURG (AP)—Pennsylvania's largest crop of school children since the start of World War II is headed back to the classrooms this week when the fall school term opens.

The State Department of Public Instruction predicts a public school enrollment increase of 59,000 above last September to make the estimated total of 1,809,000.

"That would be the highest since the war year of 1940-41 and continues the upward trend of recent years," explained Dr. Carl D. Morneweck of the department's Bureau of School Administration.

"We expect the total to reach the two million figure once again by the 1957-58 school year."

### Big Grade Increase

The increase this term is chiefly in the elementary grades excluding kindergarten. Dr. Morneweck said 33,000 more grade school pupils are expected to be in school and 28,000 additional in high school classes.

"The total of 61,000 new students in these classes is offset by a 2,000 to 3,000 drop in kindergarten enrollment we expect because the baby crop is down this year," Dr. Morneweck added.

Most of Pennsylvania's 6,700 public schools won't open until next week, many on Sept. 7, the day after Labor Day. However, in rural areas some schools will get a head start this week.

Dr. Morneweck estimated that "in order to maintain last year's teacher-pupil load ratio with the increased enrollment about 2,400 new teachers will be needed this year." He divided that into 1,321 for high school and 2,400 for elementary grades.

## Crytzer Appointed Common Pleas Judge

HARRISBURG (AP)—Gov. John S. Fine today appointed Dist. Atty. Harry B. Crytzer, New Bloomfield, as president judge of the Juniata and Perry counties Common Pleas Court.

The appointment, effective today, will continue until January, 1956.

The new jurist, who also has previously served as Perry County treasurer, register of wills and recorder of deeds, succeeds the late Judge Selmer E. Troutman.

Crytzer also has been chairman of the executive committee of the Pennsylvania District Attorneys' Assn.

A graduate of Dickinson Law School, Crytzer plans to be sworn in as judge on Thursday—his 50th birthday. Today is his 25th wedding anniversary.

### CHOSEN POULTRY QUEEN

HERSHEY, Pa. (AP)—Elsie Eshelman of Mohnton, R. D. 1, today reigns as queen of the Pennsylvania Poultry Federation.

She was chosen Saturday from among nine other regional poultry queens in the contest held in conjunction with the 6th annual Pennsylvania Dutch Days celebration.

The new queen, 18, is a sophomore in home economics at Pennsylvania State University.

## Triplet Girls Are Enrolled At State

STATE COLLEGE, Pa. (AP)—Pennsylvania State University has enrolled its first set of triplet girls in its 100-year history.

They are Julie, Jean and Joyce McCloskey.

The task of telling the three 17-year-old girls apart has been somewhat simplified; they don't dress alike and they are taking different courses. Julie will study home economics; Joyce, art education; and Jean, elementary education.

"Our family wants us to develop individual personalities," Julie explained.

Now residents of State College, the girls are natives of Washington, D.C., and lived in Richmond, Va., and Morgantown, W.Va., before coming here last September.

## KE SIGNS NEW ATOMIC BILL

WASHINGTON (AP)—President Eisenhower Monday signed the new atomic energy legislation and declared it will speed the time when the atom "will be wholly devoted" to peaceful purposes.

The bill, which ignited one of the hottest congressional fights of the year, overhauls the 1946 Atomic Energy Act. One of the changes permits the government, under certain security safeguards, to give nuclear information to America's allies.

The new legislation also, for the first time, opens the door for development of a private atomic power industry within the United States.

Eisenhower, in a statement, took note of the warm debate in Congress over these provisions.

He said he feels "some misunderstandings" were revealed during the debate, and added:

"I want our people to know that these provisions are designed eventually to relieve the taxpayer of the enormous cost of the commercial aspects of the enterprise, while fully protecting the public interest in atomic energy."

"In fact, these provisions carry into effect the 1946 policy declaration of the original Atomic Energy Act, that free competition in private enterprise should be strengthened."

Eisenhower expressed confidence that the new measure will be a boon to public and private development of atomic energy. It will lead, he said, to greater national strength.

"Programs undertaken as a result of this new law," the President declared, "will help us progress more rapidly to the time when this new source of energy will be wholly devoted to the constructive purposes of man."

## Musmanno Likes New Anti-Red Law

WASHINGTON (AP)—The new law outlawing the Communist Party will help control subversion, Judge Michael Musmanno of Pittsburgh, said yesterday.

Musmanno and Socialist Norman Thomas discussed the new legislation in a radio-TV debate (NBC's American Forum of the Air).

Musmanno, a member of the Pennsylvania Supreme Court, disagreed with Thomas' contention that the law would tend to drive Communists deeper into underground activity and make them harder to control.

### PLAN POWER STATION

PHILADELPHIA (AP)—The Philadelphia Electric Co. plans to build a power-generating station designed as "the most efficient in the world" at an undetermined site in the Philadelphia area.

R. G. Rincloffe, company president, said the station represents an initial investment of 45 million dollars and will serve "the rapidly growing Delaware Valley." He said the plant will increase the firm's generating capacity by 10 per cent.

## SMART TALK CAN BE TIME WASTER FOR AUDIENCES

By CYNTHIA LOWRY  
The Associated Press

After a long, painful apprenticeship during which I studied, experimented and practiced I have concluded I don't want to be, after all, a good conversationalist.

As every magazine-reading American knows, a good conversationalist is the person who scarcely converses at all. He just asks adroit questions and listens—or pretends to listen—to the flood of words thereby evoked.

Even the experts concede that the modern purpose of being a good conversationalist isn't to make good conversation. It is a form of therapy.

The banquet will close the club's activities for the summer.

## WASHABLE KNITS POPULAR TODAY

The Associated Press

Among the most popular outfits of the last few seasons have been the new knit dresses, many of which are made of synthetic yarns or blends which can be washed without losing their shape.

Nowadays the woman with a fancy for knits can literally live in them. For designers are offering styles planned not only for casual day wear but also for dressup occasions.

Two important features of the new knit fashions have heightened their appeal. Alterations have been made so easy and sizes so exact that women of all sizes and shapes may find a perfect fit. Some dresses allow for easy hemline adjustment by simply pulling a thread that "cuts off" excess length. Chemise dresses knit with no defined waistline use long, narrow wrap sashes which can be adjusted to the individual waist. Also new sizing for larger figures and juniors, tall girls and short girls, makes fitting easier.

New Popularity

The second reason for the new popularity of knits is the use of synthetic such as Orlon, nylon and Vicara in blends which can be washed at home. This is particularly important in garments for the 7 to 14 age group, whose cleaning bills for woollens used to run high.

Styling of the new knit fashions, ranging from tailored two-piece outfits for street and country wear to lavishly jeweled and embroidered dresses for after five. Batwing sleeves, angora bandings, nubby wool fringe and little standup collars are details typical of the new styling.

For successful washing of knit garments, squeeze gently in lukewarm suds in a wash basin, suphands so there is no sag or stretch. Blot with a towel after rinsing. If your garment is one of the new synthetics it probably needs no blocking, since pleats and fit are permanently knitted in.

Shape With Hands

If the garment does not need blocking, just shape with the hands and lay flat or place on hanger to dry. If it is a two-piece dress, use a clamp type hanger for the skirt and a shaped plastic or wood hanger for the blouse or jacket.

If you are washing a garment made of wool yarn, it probably will need blocking. Spread it flat on a Turkish towel; insert a cardboard frame which has been traced around the dress and cut out before washing; then pat it into shape. Or ease it out to the original measurements, let it dry flat and then steam the surface with a steam iron.

A final word of wisdom on the care of knit dresses is to keep them folded in a drawer instead of hanging on hangers, which may cause them to sag.

## Boy, 7, Killed As Dad Fixes Tire

REISTERSTOWN, Md. (AP)—Gary Wolfe, 7, of Duncansville, Pa., was killed near here Sunday when police said he dashed in front of a car.

Police reported that the lad's father, James Wolfe, was fixing a flat tire when his son "darted in front of a car" driven by Franklin B. Carpenter, 55, of Manchester. Carpenter was charged with manslaughter by auto and released on \$1,000 bond.

## Today's Pattern

What's better than a jumper—well, for one thing, a jumper with its own vest and blouse. This ensemble idea brings true grown-up styling to the school girl and is an easy way to enlarge her wardrobe.

## MOUNTAIN TROUT TO TEST HOOVER AND EISENHOWER

By MARVIN L. ARROWSMITH  
DENVER (AP)—President Eisenhower and former President Hoover today keep "a very important date with a few finny comrades" on a trout fishing expedition high in the Rocky Mountains.

The President and Hoover, both of whom love to fish and are good at it, scheduled an early start on a 70-mile drive northwest to Fraser, Colo., on the western slope of the Continental Divide.

For the next three days they will live in rustic cabins close to 10,000 feet high in the snow-capped Rockies. They will fish swift-running St. Louis Creek and Eisenhower will do most of the cooking.

Eisenhower interrupted his Colorado vacation to fly to Washington and address the American Legion convention yesterday. On the return trip to Denver—with a stopover in Des Moines at the Iowa State Fair—the President was accompanied by the 80-year-old Hoover.

At the fair, Eisenhower concluded an informal foreign affairs speech by saying with a chuckle: "Now, my friends, Mr. Hoover and I have a very important date with a few finny comrades up in the high Rockies, and it is about time we were getting along."

Going along too on the trip to Fraser was the chief executive's youngest brother, Dr. Milton Eisenhower, president of Pennsylvania State University.

The party will be the guest of a couple of old friends of the President, Aksel Nielsen and Carl Norgren. They own Byers Peak Ranch at Fraser, where Eisenhower has vacationed the last two summers.

The award was presented to Futch here by Col. H. N. Kunzing, 2nd Army training chief representing Lt. Gen. Floyd L. Parks, 2nd Army commander.

Futch was graduated from West Point in 1917 and was artillery commander of the 35th Division in Europe during World War II. He holds some two dozen American and foreign decorations, including the Legion of Merit and French Legion of Merit.

## Eisenhower Terms EDC Vote A Serious Setback But Says Free World Will Hold Reds

DENVER (AP) — President Eisenhower last night called the French Parliament's scuttling of the European army project "a serious setback." But he declared the United States never will quit the fight for free world security against any Communist threat.

"We have our setbacks, we are disappointed. But we must not be discouraged," the President said emphatically in a speech at the Iowa State Fair in Des Moines.

Eisenhower learned of the French Assembly's rejection of the European Defense Community plan for a six-nation army as he and Secretary of State Dulles were in conference on another matter in Washington yesterday.

Security From Aggression  
Eisenhower spoke of EDC as "a device whereby the free world could establish, without indulging in the traditional fights among themselves in Western Europe, security from any threat from without."

Then, with former President Hoover on the speaker's stand behind him, he said:

"This proposal was established to allow Germany — Western Germany — to enter into defensive alliances without any danger whatsoever that it would be in a position to start a war or, indeed, to engage in any kind of aggression."

"Because of these characteristics of this plan, the U.S., Great Britain and all the Western nations stood for it and approved this great French plan."

Free World Is Strong  
"Now, there is no disguising the fact that this is a serious setback. But what I want to say to you people is this: The free world is still overwhelmingly strong, as compared to the Iron Curtain countries, in the people we have, in their levels of intelligence and understanding, in their skills, in agriculture and in industry."

Hammering at the importance of collective security in the face of that situation, he said:

"If the free world does not hang together, then the unity of communism, achieved by force, by the use of the police outside your door and the spy inside your home, that unity will take one nation at a time, beginning with the most exposed, and subdue it."

The crowd cheered when he added that must never occur—"We shall not let it occur." And he declared:

"All this world needs — all this free world needs — to be safe is a united approach to the problem of security and defense."

LYONS, Kan. (AP)—An unfortunate skunk made the mistake yesterday of wandering into Mrs. Paul Dring's garage.

Mrs. Dring and a neighbor, Mrs. J. M. oss, grabbed a garden hose and attacked before the skunk had a chance to go into action.

The animal retreated into an adjacent garage, whose owner, not wanting to get personally involved, called policeman John Bailey. Officer Bailey likewise decided he was not the man to tackle a drenched and presumably hostile skunk in an enclosed place.

Mrs. Hess recalled that when she was a girl on the farm, there was a saying that if one could grab a skunk by the tail and get all four feet off the ground fast enough, the skunk couldn't use its scent artillery.

No one wanted to try it, so Mrs. Hess did. She succeeded.

Holding the outmaneuvered skunk at arm's length, she instructed Bailey to do his duty. A bullet through the skunk's head ended the episode scentlessly.

Leaves Hospital To Cast His Vote  
DOVER, Del. (AP) — Ill health didn't prevent State Sen. John W. Burris (R-Milford) from casting his vote on two state appointments.

Burris rode from nearby Rehoboth Beach to the state capital in a cabulance yesterday and was taken into the legislative building on the cabulance bed. He was accompanied by his doctor and two nurses. His physician refused to permit the senator's transfer to a wheel chair.

ager, told several of the residents of the planned eviction. The notice was posted in the Olmsted community building.

Rookie Jim Davis of the Chicago Cubs compiled a 13-8 record with Seattle in 1953. He pitched 16 complete games.

**Residents Will Meet To Block Eviction**  
HARRISBURG (AP)—Residents of Olmsted Homes, opposite Middletown Air Force Base, meet this evening to plan action to stave off a mass eviction from the federal housing project.

A notice has been posted that the 271 families residing in the development in Lower Swatara Twp., will have to vacate within the next six months.

The project is owned by the federal government and is leased to Harrisburg Housing Authority. Miss Grace Evans, project manager.

# EXPECT SCHOOL ENROLLMENT TO BE 1,809,000

HARRISBURG (AP)—Pennsylvania's largest crop of school children since the start of World War II is headed back to the classrooms this week when the fall school term opens.

The State Department of Public Instruction predicts a public school enrollment increase of 59,000 above last September to make the estimated total of 1,809,000.

"That would be the highest since the war year of 1940-41 and continues the upward trend of recent years," explained Dr. Carl D. Morneweck of the department's Bureau of School Administration.

"We expect the total to reach the two million figure once again by the 1957-58 school year."

## Big Grade Increase

The increase this term is chiefly in the elementary grades excluding kindergarten. Dr. Morneweck said 33,000 more grade school pupils are expected to be in school and 28,000 additional in high school classes.

"The total of 61,000 new students in these classes is offset by a 2,000 to 3,000 drop in kindergarten enrollment we expect because the baby crop is down this year," Dr. Morneweck added.

Most of Pennsylvania's 6,700 public schools won't open until next week, many on Sept. 7, the day after Labor Day. However, in rural areas some schools will get a head start this week.

Dr. Morneweck estimated that "in order to maintain last year's teacher-pupil load ratio with the increased enrollment about 2,400 new teachers will be needed this year." He divided that into 1,321 for high school and 2,400 for elementary grades.

## Crytzer Appointed Common Pleas Judge

HARRISBURG (AP)—Gov. John S. Fine today appointed Dist. Atty. Harry B. Crytzer, New Bloomfield, as president judge of the Juniata and Perry counties Common Pleas Court.

The appointment, effective today, will continue until January, 1956.

The new jurist, who also has previously served as Perry County treasurer, register of wills and recorder of deeds, succeeds the late Judge Seiber E. Troutman.

Crytzer also has been chairman of the executive committee of the Pennsylvania District Attorneys' Assn.

A graduate of Dickinson Law School, Crytzer plans to be sworn in as judge on Thursday—his 50th birthday. Today is his 25th wedding anniversary.

## CHOSEN POULTRY QUEEN

HERSHY, Pa. (AP)—Elsie Eshelman of Mouton R. D. 1, today reigns as queen of the Pennsylvania Poultry Federation.

She was chosen Saturday from among nine other regional poultry queens in the contest held in conjunction with the 6th annual Pennsylvania Dutch Days celebration.

The new queen, 18, is a sophomore in home economics at Pennsylvania State University.

## Triplet Girls Are Enrolled At State

STATE COLLEGE, Pa. (AP)—Pennsylvania State University has enrolled its first set of triplet girls in its 100-year history.

They are Julie, Jean and Joyce McCloskey.

The task of telling the three 17-year-old girls apart has been somewhat simplified: they don't dress alike and they are taking different courses. Julie will study home economics; Joyce, art education; and Jean, elementary education.

"Our family wants us to develop individual personalities," Julie explained.

Now residents of State College, the girls are natives of Washington, D.C., and lived in Richmond, Va., and Morgantown, W.Va., before coming here last September.

## IKE SIGNS NEW ATOMIC BILL

WASHINGTON (AP)—President Eisenhower Monday signed the new atomic energy legislation and declared it will speed the time when the atom "will be wholly devoted" to peaceful purposes.

The bill, which ignited one of the hottest congressional fights of the year, overhauls the 1946 Atomic Energy Act. One of the changes permits the government, under certain security safeguards, to give nuclear information to America's allies.

The new legislation also, for the first time, opens the door for development of a private atomic power industry within the United States.

Eisenhower, in a statement, took note of the warm debate in Congress over these provisions.

He said he feels "some misunderstandings" were revealed during the debate, and added:

### Ease Taxpayer Cost

"I want our people to know that these provisions are designed eventually to relieve the taxpayer of the enormous cost of the commercial aspects of the enterprise, while fully protecting the public interest in atomic energy."

"In fact, these provisions carry into effect the 1946 policy declaration of the original Atomic Energy Act, that free competition in private enterprise should be strengthened."

Eisenhower expressed confidence that the new measure will be a boon to public and private development of atomic energy. It will lead, he said, to greater national strength.

"Programs undertaken as a result of this new law," the President declared, "will help us progress more rapidly to the time when this new source of energy will be wholly devoted to the constructive purposes of man."

## Musmanno Likes New Anti-Red Law

WASHINGTON (AP)—The new law outlawing the Communist Party will help control subversion, Judge Michael Musmanno of Pittsburgh, said yesterday.

Musmanno and Socialist Norman Thomas discussed the new legislation in a radio-TV debate (NBC's American Forum of the Air).

Musmanno, a member of the Pennsylvania Supreme Court, disagreed with Thomas' contention that the law would tend to drive Communists deeper into underground activity and make them harder to control.

## PLAN POWER STATION

PHILADELPHIA (AP)—The Philadelphia Electric Co. plans to build a power-generating station designed as "the most efficient site in the world" at an undetermined site in the Philadelphia area.

R. G. Rincloffe, company president, said the station represents an initial investment of 45 million dollars and will serve "the rapidly growing Delaware Valley." He said the plant will increase the firm's generating capacity by 10 per cent.

## WASHABLE KNITS POPULAR TODAY

The Associated Press

Among the most popular outfits of the last few seasons have been the new knit dresses, many of which are made of synthetic yarns or blends which can be washed without losing their shape.

Nowadays the woman with a fancy for knits can literally live in them, for designers are offering styles planned not only for casual day wear but also for dressup occasions.

Two important features of the new knit fashions have heightened their appeal. Alterations have been made so easy and sizes so exact that women of all sizes and shapes may find a perfect fit. Some dresses allow for easy hemline adjustment by simply pulling a thread that "cuts off" excess length. Chemise dresses knit with no defined waistline use long, narrow wrap sashes which can be adjusted to the individual waist. Also new sizing for larger figures and juniors, tall girls and short girls, makes fitting easier.

### New Popularity

The second reason for the new popularity of knits is the use of synthetic such as Orlon, nylon and Vicara in blends which can be washed at home. This is particularly important in garments for the 7 to 14 age group, whose cleaning bills for woollens used to run high.

Styling of the new knit fashions ranges from tailored two-piece outfits for street and country wear to lavishly jeweled and embroidered dresses for after five. Batwing sleeves, angora bandings, nubby wool fringe and little standup collars are details typical of the new styling.

For successful washing of knit garments, squeeze gently in lukewarm suds in a wash basin, sup-hands so there is no sag or stretch. Blot with a towel after rinsing. If your garment is one of the new synthetics it probably needs no blocking, since pleats and fit are permanently knitted in.

### Shape With Hands

If the garment does not need blocking, just shape with the hands and lay flat or place on hanger to dry. If it is a two-piece dress, use a clamp type hanger for the skirt and a shaped plastic or wood hanger for the blouse or jacket.

If you are washing a garment made of wool yarn, it probably will need blocking. Spread it flat on a Turkish towel; insert a cardboard frame which has been traced around the dress and cut out before washing; then pat it into shape. Or ease it out to the original measurements, let it dry flat and then steam the surface with a steam iron.

A final word of wisdom on the care of knit dresses is to keep them folded in a drawer instead of hanging on hangers, which may cause them to sag.

## SMART TALK CAN BE TIME WASTER FOR AUDIENCES

By CYNTHIA LOWRY  
The Associated Press

After a long, painful apprenticeship during which I studied, experimented and practiced I have concluded I don't want to be, after all, a good conversationalist.

As every magazine-reading American knows, a good conversationalist is the person who scarcely converses at all. He just asks adroit questions and listens—or pretends to listen—to the flood of words thereby evoked.

Even the experts concede that the modern purpose of being a good conversationalist isn't to make good conversation. It is a form of therapy.

## Boy, 7, Killed As Dad Fixes Tire

REISTERSTOWN, Md. (AP)—Gary Wolfe, 7, of Duncansville, Pa., was killed near here Sunday when police said he dashed in front of a car.

Police reported that the lad's father, James Wolfe, was fixing a flat tire when his son "darted in front of a car" driven by Franklin B. Carpenter, 56, of Manchester. Carpenter was charged with manslaughter by auto and released on \$1,000 bond.

### Bores Are Born

I am quitting the league of good conversationalists—not because I'm against listening to other people talk—but because since I've become a good conversationalist I've never heard so much boring talk in my life.

If anyone were to ask me, I'd say the old system of give and take, even though it included punchline killing and attempts at topping, produced a better quality of talk merely because it was competitive.

The way the present system works out is that the bore never reads the articles about how to become a good conversationalist, so he never asks questions. He just responds fulsomely. And all those people who might offer something sprightly, worthy, amusing or witty just go around delivering the grim straight lines.

### Surefire Questions Backfire

In the course of my long days as a student of good conversation, I have accumulated a long list of surefire questions which can get the bores started on long, complicated monologues.

Unless you really mean it, I've learned, never drop in such questions as "Where did you get it?" "How much did the baby weigh?" "How on earth did you lose so much weight?" "Was the food any good?" or "And what are you doing with yourself these days?" Sometimes even meaningless questions just designed for politeness, like "What's new?" can get a bore rolling.

Anyway, I'm resigning from the conversationalist ranks, I'm throwing away my list of charm questions, and from now on, when a bore braces me with a long, rambling account on a dull subject, I'm going to snap him off short. I've got a long list of subjects I can bore anyone with, and I'm going to do it for awhile.

## DULLES GOING TO MANILLA ON 8-NATION PACT

By JOHN SCALI  
WASHINGTON (AP)—Secretary of State Dulles, obviously concerned over Europe's new defense crisis, arranged to leave tonight for Manila to wind up negotiation for an eight-nation Southeast Asia defense alliance.

France's death blow to the long-cherished European army project cast gloom over his Far Eastern trip.

Before his departure, the secretary was expected to comment on the French assembly vote yesterday which scuttled the six-nation European Defense Community 27 months after it was conceived by a Frenchman mainly as a device to rearm Germany.

### More Important Now

Top aides said Dulles believes collapse of the European army makes a united defense against communism in Southeast Asia even more important.

The eight-nation conference he is to attend was set up nearly a month ago as a climax to Dulles' campaign to prevent Red aggression in Indochina from spilling over into neighboring areas. A formal treaty which would seek to meet the Red military threat, as well as the menace of subversion, has been drafted in diplomatic exchanges. Reportedly, only minor points remain to be worked out at the foreign ministers' meeting opening next Monday.

Founding member countries would be the United States, Britain, France, the Philippines, Thailand, Australia, New Zealand and Pakistan. But the alliance would be open to any additional nation in the region which might want to join later.

About the only thing certain in American reaction to the European army crisis was that no single sure fire substitute has been agreed upon by American policy makers. Dulles was reported ready to go ahead with a previously drafted plan for giving Western Germany complete sovereignty in the Western zone — except for the right to re-arm.

# Western Coalition Reeling Under French Rejection Of European Army; Seek New Plan

By PRESTON GROVER  
PARIS (AP)—The Western coalition against communism reeled today under France's crushing rejection of the European army plan, but Allied leaders rushed forward new rescue plans.

By a 319-264 vote the French National Assembly voted last night to postpone debate indefinitely on the six-nation European Defense Community Treaty, signed 27 months ago after long and troublesome negotiations to add German soldiers to Western military strength.

The vote on the procedural motion was a clear-cut death blow to the plan which France herself originally proposed. It would have joined 12 German divisions in an internationally controlled force with French troops and those of Italy, Belgium, Luxembourg and the Netherlands.

"Serious Setback"  
For three years EDC had been a keystone of Western defense policy. President Eisenhower termed the French vote a "serious setback" to the free world. Moscow's Communist party organ Pravda was jubilant.

There were said and troubled French legislators today who said now no one could be sure whether West Germany could be kept oriented to the Allied side with a fighting force the North Atlantic command has been seeking for so long.

Only limited steps can be taken immediately unless the United States and Britain take a bold decision to go ahead without France.

**Seek Replacement**  
Many of the same French deputies who voted down the plan to put German soldiers into a European army have declared they would vote also against any immediate rearming of West Germany, even if she were to pledge her troops to the North Atlantic Treaty Organization (NATO).

Many deputies who supported the European army swore to vote against German rearmament without the controls EDC would have provided.

With the idea for a centrally controlled European army decried, American, British, West German and French officials pre-

pared to find a replacement as quickly as possible.

**Independence For Germany**  
A British Foreign Office spokesman said that talks would be arranged immediately to give Germany her independence, which up to now has been dependent on creation of the European army.

French Premier Pierre Mendes-France already has said he would go along with the speedy restoration of sovereignty to West Germany, but he has emphasized that this endorsement does not include rearmament.

Any British-American effort to bypass the French on this likely would precipitate a crisis in the North Atlantic Alliance. The British-American plans for restoring German sovereignty so far have specified that rearming must wait.

**Only Logical Answer**  
Canadian officials in Ottawa said the only logical answer to the Western dilemma was to bring West Germany into NATO.

The French action posed a new threat to West German Chancellor Konrad Adenauer's government, which had banked heavily on EDC to provide the means toward independence which the German people have been demanding more and more insistently.

Adenauer's chief opponent, Socialist leader Erich Ollenhauer was quick to assert that the French vote meant Adenauer's policy had failed. The opposition chief called for the Western Allies to meet at once with the Soviets to consider German reunification and European security.

**Many Ways To Re-Arm**  
Mendes-France said there were many possible ways of rearming West Germany and he would seek with his Western allies to find one.

"Among the deputies who have voted for and those who have voted against, there is a majority favoring continued reinforcement of the Atlantic Pact and of our ties with the Western Allies," he told newsmen, adding:

"It is within this framework that a new solution should be studied rapidly, and I hope this time we will not lose three years."

But the Assembly victory of EDC's opponents — with whom the Premier seemed to side and at

## M'CARTHY READY FOR NEW "WASTE OF TIME" PROBE

By G. MILTON KELLY  
WASHINGTON (AP)—Sen. McCarthy (R-Wis.) said Monday he will call no defense witnesses in the Senate's new investigation of his conduct which will start here today.

Flying in from Los Angeles for the new inquiry, and to learn the verdict seven fellow senators have reached in the McCarthy-Army hearings, McCarthy said he is ready to testify in his own behalf in the new inquiry, if he is requested to do so.

But he indicated no desire to testify.

**Waste Of Time**  
His hope, he told a reporter, is for a quick windup of the inquiry, which he termed "a great waste of time."

"I will cooperate to get this thing out of the way as quickly as possible," McCarthy said in an interview. "It holds up my plans for an active Republican campaign speaking tour, and for investigations—I can't plan anything."

"It is a great waste of time through no fault of the committee. Once the charges were made they had to be resolved, and that is the task of this committee and the Senate."

**Admits Some Allegations**  
McCarthy said that "some of the things alleged" by the three senators who precipitated the new inquiry will be admitted.

"For instance," he said, "the fact I said Sen. Flanders (speakerhead of the new move to have him censured by the Senate) was senile is unquestioned. It will be freely admitted. He can prove he's not if he can and wants to."

Asked how many witnesses he plans to call in the inquiry McCarthy said:

"I have none to call. If they want me to appear I will."

"I will, of course, attend all sessions."

Flying back from Los Angeles to attend the inquiry, McCarthy told a reporter he sees no reason why the new investigation should be a long one.

## STORE OIL IN SLATE QUARRY

NEW YORK (AP)—The first shipments of heating oil destined for seasonal storage in an abandoned slate quarry at Wind Gap, Pa., are scheduled for delivery this week.

Esso Standard Oil Co. said yesterday the venture is the first attempt in the nation to use the oil-storage potential of idle mines and quarries. The Wind Gap quarry, the company said, can store 42 million gallons of heating oil produced in the summer to meet peak winter demands.

Oil will be moved from Esso's Bayway refinery at Linden, N. J., through a 65-mile pipeline which existed prior to the \$500,000 quarry project.

Under full operating conditions, oil can enter the pit at the rate of 6,000 barrels a day and be withdrawn at the rate of 8,000 barrels. During winter, the company said, oil will be pumped to the Linden refinery for shipment by barge, truck or tank car to distributing points.

any rate did not oppose — did not mean Mendes-France would find it any easier to line up ready support for some new German rearmament scheme.

**Provoked Foes**  
His failure to oppose the resolution cutting off debate after only the opponents had spoken provoked a core of bitter foes with whom he will have to deal in future legislative efforts.

At least three pro-EDC members of Mendes-France's Cabinet were reported thinking seriously of resigning from the government because of the Premier's tactics, though they deferred action overnight.

The rejection of EDC resulted from a union of far right and far left. The bulk of the vote to kill the treaty came from the ultra-nationalist supporters of Gen. Charles de Gaulle and 99 Moscow-sparked Communists and fellow travelers. Moderate groups were the chief supporters of the treaty.

In 1944 when the St. Louis Browns won their only pennant, they beat Detroit by one game, winning 10 of their last 11 games.

**Light Loss Of Life In Hong Kong Gale**

HONG KONG (AP)—Hong Kong cleaned up Monday after Typhoon Ida—the city's worst in 10 years—and found loss of life and damage slight considering the intensity of the gale. Two deaths, both Chinese, were reported.

The typhoon passed inland over the Chinese mainland about 60 miles south of Hong Kong during the night but winds over the city reached 99 miles per hour at their peak.

On Formosa, press reports said the typhoon, which sidwinded Formosa yesterday, flooded three southern villages and left 2,200 persons homeless.

# Western Coalition Reeling Under French Rejection Of European Army; Seek New Plan

By PRESTON GROVER  
PARIS (U-P)—The Western coalition against communism reeled today under France's crushing rejection of the European army plan, but Allied leaders rushed forward new rescue plans.

By a 318-264 vote the French National Assembly voted last night to postpone indefinitely the six-nation European Defense Community Treaty, signed 27 months ago after long and troublesome negotiations to add German soldiers to Western military strength.

The vote on the procedural motion was a clear-cut death blow to the plan which France herself originally proposed. It would have joined 12 German divisions in an internationally controlled force with French troops and those of Italy, Belgium, Luxembourg and the Netherlands.

"Serious Setback"  
For three years EDC had been a keystone of Western defense policy. President Eisenhower termed the French vote a "serious setback" to the free world. Moscow's Communist party organ Pravda was jubilant.

There were sad and troubled French legislators today who said now no one could be sure whether West Germany could be kept oriented to the Allied side with a fighting force the North Atlantic command has been seeking for so long.

Only limited steps can be taken immediately unless the United States and Britain take a bold decision to go ahead without France.

Seek Replacement  
Many of the same French deputies who voted down the plan to put German soldiers into a European army have declared they would vote also against any immediate rearming of West Germany, even if she were to pledge her troops to the North Atlantic Treaty Organization (NATO).

Many deputies who supported the European army swore to vote against German rearmament without the controls EDC would have provided.

With the idea for a centrally controlled European army detailed, American, British, West German and French officials prepared to find a replacement as quickly as possible.

Independence For Germany  
A British Foreign Office spokesman said that talks would be arranged immediately to give Germany her independence, which up to now has been dependent on creation of the European army.

French Premier Pierre Mendes-France already has said he would go along with the speedy restoration of sovereignty to West Germany, but he has emphasized that this endorsement does not include rearmament.

Any British-American effort to bypass the French on this likely would precipitate a crisis in the North Atlantic Alliance. The British-American plans for restoring German sovereignty so far have specified that rearming must wait.

Only Logical Answer  
Canadian officials in Ottawa said the only logical answer to the Western dilemma was to bring West Germany into NATO.

The French action posed a new threat to West German Chancellor Konrad Adenauer's government, which had banked heavily on EDC to provide the means toward independence which the German people have been demanding more and more insistently.

Adenauer's chief opponent, Socialist leader Erich Ollenhauer was quick to assert that the French vote meant Adenauer's policy had failed. The opposition chief called for the Western Allies to meet at once with the Soviets to consider German reunification and European security.

Many Ways To Re-Arm  
Mendes-France said there were many possible ways of rearming West Germany and he would seek with his Western allies to find one.

"Among the deputies who have voted for and those who have voted against, there is a majority favoring continued reinforcement of the Atlantic Pact and of our ties with the Western Allies," he told newsmen, adding:

"It is within this framework that a new solution should be studied rapidly, and I hope this time we will not lose three years."

But the Assembly victory of EDC's opponents — with whom the Premier seemed to side and at

# M'CARTHY READY FOR NEW "WASTE OF TIME" PROBE

By G. MILTON KELLY  
WASHINGTON (U-P)—Sen. McCarthy (R-Wis.) said Monday he will call no defense witnesses in the Senate's new investigation of his conduct which will start here today.

Flying in from Los Angeles for the new inquiry, and to learn the verdict seven fellow senators have reached in the McCarthy-Army hearings, McCarthy said, he is ready to testify in his own behalf in the new inquiry, if he is requested to do so.

But he indicated no desire to testify.

Waste Of Time  
His hope, he told a reporter, is for a quick windup of the inquiry, which he termed "a great waste of time."

"I will cooperate to get this thing out of the way as quickly as possible," McCarthy said in an interview. "It holds up my plans for an active Republican campaign speaking tour, and for investigations—I can't plan anything."

"It is a great waste of time through no fault of the committee. Once the charges were made they had to be resolved, and that is the task of this committee and the Senate."

Admits Some Allegations  
McCarthy said that "some of the things alleged" by the three senators who precipitated the new inquiry will be admitted.

"For instance," he said, "the fact I said Sen. Flanders' head of the new move to have him censured by the Senate) was senile is unquestioned. It will be freely admitted. He can prove he's not if he can and wants to."

Asked how many witnesses he plans to call in the inquiry McCarthy said:

"I have none to call. If they want me to appear I will. I will, of course, attend all sessions."

Flying back from Los Angeles to attend the inquiry, McCarthy told a reporter he sees no reason why the new investigation should be a long one.

# STORE OIL IN SLATE QUARRY

NEW YORK (U-P)—The first shipments of heating oil destined for seasonal storage in an abandoned slate quarry at Wind Gap, Pa., are scheduled for delivery this week.

Esso Standard Oil Co., said yesterday the venture is the first attempt in the nation to use the oil-storage potential of idle mines and quarries. The Wind Gap quarry, the company said, can store 42 million gallons of heating oil produced in the summer to meet peak winter demands.

Oil will be moved from Esso's Bayway refinery at Linden, N. J., through a 65-mile pipeline which existed prior to the \$500,000 quarry project.

Under full operating conditions, oil can enter the pit at the rate of 6,000 barrels a day and be withdrawn at the rate of 8,000 barrels. During winter, the company said, oil will be pumped to the Linden refinery for shipment by barge, truck or tank car to distributing points.

any rate did not oppose — did not mean Mendes-France would find it any easier to line up ready support for some new German rearmament scheme.

Provoked Foes  
His failure to oppose the resolution cutting off debate after only the opponents had spoken provoked a core of bitter foes with whom he will have to deal in future legislative efforts.

At least three pro-EDC members of Mendes-France's Cabinet were reported thinking seriously of resigning from the government because of the Premier's tactics, though they deferred action overnight.

The rejection of EDC resulted from a union of far right and far left. The bulk of the vote to kill the treaty came from the ultra-nationalist supporters of Gen. Charles de Gaulle and 99 Moscow-sparked Communists and fellow travelers. Moderate groups were the chief supporters of the treaty.

In 1944 when the St. Louis Browns won their only pennant, they beat Detroit by one game, winning 10 of their last 11 games.

## Light Loss Of Life In Hong Kong Gale

HONG KONG (U-P)—Hong Kong cleaned up Monday after Typhoon Ida—the city's worst in 10 years—and found loss of life and damage slight considering the intensity of the gale. Two deaths, both Chinese, were reported.

The typhoon passed inland over the Chinese mainland about 60 miles south of Hong Kong during the night but winds over the city reached 99 miles per hour at their peak.

On Formosa, press reports said the typhoon, which sideswiped Formosa yesterday, flooded three southern villages and left 2,200 persons homeless.
